FADE IN:

INT. BRUNEI - SULTAN'S PALACE - FOYER - NIGHT

[Coughing]

From the floor looking up, the high ceiling is beautiful with elaborately crafted gold crown molding.

[Coughing continues along with indistinct talking and music in the background]

Our view slowly pans from the ceiling down to the multi-toned marble floors where blood comes out in a mist at each cough.

TRENT CUMMINGS, ruggedly handsome Caucasian man in his thirties, on hands and knees spits blood onto the floor.

Three armed guards in black tailored suits stand around Trent with guns in hand while, SULTAN AZIS, tall strong man in his sixties stands a few feet back in his royal robe and garments smoking a cigar and looking through a wallet. He pulls out a photo.

ZOOM IN on photo of a pretty woman and little girl.

[Indistinct talking becomes clear]

SULTAN AZIS
So this is her? She's very pretty.

Trent spits again, catching his breathe.

TRENT CUMMINGS
She has nothing to do with this.

SULTAN AZIS
I have to disagree, my American friend.

TRENT CUMMINGS
If this is how you treat your friends. I'd hate to get on your bad side. I mean, I'm bleeding. And-

SULTAN AZIS
Such a beautiful family... But I wonder if they know you like to take shits in other people's backyards.

TRENT CUMMINGS
Come on Sultan, that’s not fair, is it? I just played the hand I was dealt. Like literally, the cards don’t lie my royalness. They just don’t.

SULTAN AZIS
But self entitled pretty boys do.

TRENT CUMMINGS
I’m flattered you think I’m pretty Sultan. I really am, but you have the rest all wrong.

SULTAN AZIS
Do I?

TRENT CUMMINGS
You do!
(raises hand)
Respectfully of course.

SULTAN AZIS
So you didn’t also free 6 girls from the west wing?

TRENT CUMMINGS
I mean, I did, but... You didn’t need them. Trust me, they were holding you back.

There’s a beat.

SULTAN AZIS
They were holding me back?

TRENT CUMMINGS
Uh... Yea. I’d say so.

Sultan smiles.

SULTAN AZIS
You’re funny Mr...

TRENT CUMMINGS
Trent. Trent cummings.

SULTAN AZIS
(nods)
Well Mr. Trent cummings, I wonder how funny it would be if I kill you right now, and then send a few men to go get your girls. Bring them here to work off your debt?

Neither are smiling.

TRENT CUMMINGS
Look Sultan, your issue is with me. Let it die with me.
(beat)
Please.

There's a beat of silence.

SULTAN AZIS
I don't think so. Money talks Mr. Trent.
(motions to his guards)
Do it.

TRENT CUMMINGS
(holds hands out)
Wait, wait, wait! I can fix this. I can get you money!

Guards begin pointing their weapons.

TRENT CUMMINGS (CONT'D)
(urgently)
1964 Ferrari 330 GTO!

Sultan quickly holds his hand up stopping his guards.

SULTAN AZIS
What did you say?

TRENT CUMMINGS
Your a car collector. I know this. It's said there were only 3 64 Ferrari 330 GTO's made, right. 2 aren't for sale. But--

SULTAN AZIS
The third was destroyed by the manufacturer.

TRENT CUMMINGS
(shakes head)
No. That's what people think. But I know the family who owned it.
(MORE)

TRENT CUMMINGS (CONT'D)
I can get it, put it in a shipping container and bring it to you. Gotta be worth $50 million easy.

SULTAN AZIS
Interesting... If it’s true. Where is it?

TRENT CUMMINGS
Well that’s the tricky part but I’m sure I can--

SULTAN AZIS
Where!?

TRENT CUMMINGS
Buried underground in a cemetery in Texas.

DISSOLVE TO:

EXT. TRENT’S TOWN HOME - HOUSTON TX - FRONT YARD - DAY

On an upscale residential street lined with refurbished modern town homes, in one of the front yards we see Trent and his daughter DELILAH, a pretty 8 year old girl, dressed in everyday clothes but loosely practicing martial arts defense.

Delilah blocks Trent’s playful attacks and strikes back.

Looking past Delilah, Trent’s gaze refocuses on a silver BMW pulling up to the curb.

TRENT CUMMINGS
Looks like mommy’s here.

While distracted Delilah punches Trent in the chest and laughs.

DELILAH
Protect yourself at all times right?

TRENT CUMMINGS
Using my words against me huh?

He throws a punch but she blocks it.

TRENT CUMMINGS (CONT’D)
Run inside and get your bag beautiful.

DELILAH
Okay daddy.

[Car door closes]

We see Delilah's back, jogging to the front door as she briefly looks over her shoulder.

DELILAH (CONT'D)
Hey mommy.

KELSEY
Hey baby.

KELSEY, naturally beautiful Hispanic woman in her thirties walks through the gate into the yard.

TRENT CUMMINGS
Hey Kels.

KELSEY
Hey Trent.

Kelsey slows to a stop a few feet away from Trent.

TRENT CUMMINGS
No hug?

She steps forward with a partial smile. They embrace.

TRENT CUMMINGS (CONT'D)
You smell good.

She pushes him off, trying not to laugh.

KELSEY
So martial arts in the front yard again huh?

TRENT CUMMINGS
Yea, what's wrong with that?

KELSEY
You know she's a girl right?

TRENT CUMMINGS
A girl who won't take shit off any boy. Right?

KELSEY
Okay, true.

TRENT CUMMINGS
You used to enjoy our workout sessions too if I remember correctly.

There's a beat.

Delilah comes running out of the house with her bag. She hugs Kelsey and continues holding on.

KELSEY
You ready baby?

DELILAH
(looking up)
Yep. Me and Daddy had fun.

KELSEY
Good. I'm glad. Why don't you give your daddy a hug and hop in the car. Dinners waiting at home.

Delilah lets go of Kelsey and hugs Trent tightly. After a moment she takes one arm from around him and extends it to Kelsey behind her.

CLOSE ON: Kelsey's face, then Trents. They lock eyes.

Kelsey takes a deep breathe, taking Delilah's hand, coming in close to join the hug. The hug is held.

DELILAH
I miss this.

There's a beat.

KELSEY
Me too baby.

ZOOM IN to Kelsey's glassy eyes.

Kelsey pulls away after another beat.

KELSEY (CONT'D)
Okay baby. Lets get going.

Delilah slowly lets go of Trent.

DELILAH
Okay mommy. Love you daddy.

TRENT CUMMINGS
Love you too beautiful.

Facing Kelsey we see Delilah walk pass toward the car. Holding eye contact with Trent, Kelsey follows.

KELSEY
Bye Trent.

TRENT CUMMINGS
Have a good night Kels.

Delilah hops in the car as Kelsey walks around to get in as well.

KELSEY
Don’t forget it’s your turn to pick up Delilah from school this week.

Trent looks surprised but tries to play it off.

TRENT CUMMINGS
Yea, of course. I got it. No worries. 4pm, I got it.

KELSEY
3pm.

TRENT CUMMINGS
3pm, I got it.

Kelsey pauses, looking over the top of the car, then gets in.

The passenger side window comes down. Trent walks up and leans in, looking at Kelsey.

KELSEY
Timing is important Trent.

TRENT CUMMINGS
Kels I--

KELSEY
Eventually it’ll run out.
(beat)
You should probably think about that.

She turns away from Trent, now looking forward. Trent slowly backs up from the car.

Watching from the rear view mirror Trent waves as she drives off.

FLASHBACK TO:

INT. BRUNEI - SULTAN'S PALACE - FOYER - NIGHT

The Sultan stands silently along with his 3 armed guards while Trent awaits a response on one knee.

[Indistinct talking comes through one of the guards WALKIE TALKIE RADIOS]

The Sultan takes notice. The guard looks over to the Sultan, gives a nod and says.

GUARD
It's been confirmed.

Sultan makes a peculiar face.

SULTAN AZIS
You've been a busy bee Mr. Cummings. It's been brought to my attention that you are also the American from the clinic.

TRENT CUMMINGS
(shrugs)
Yea, I went to a clinic.

Sultan AZIS shakes his head. Trent seems concerned.

SULTAN AZIS
Eisenmenger.

TRENT CUMMINGS
(confused)
What?

The Sultan laughs, looking at his guards as they all begin to laugh with him.

TRENT CUMMINGS (CONT'D)
Now that's not nice.

SULTAN AZIS
(continues laughing)
But isn't it?

Sultan speaks to his guards in another language Trent doesn't understand.

TRENT CUMMINGS
Oh and that... That's definitely not nice. It's actually rude.

They continue laughing for a beat.

TRENT CUMMINGS (CONT'D)
Someone gonna tell me what's so funny?

Laughing continues as one of the guards mocks Trent with hand gestures speaking in another language.

Trent becomes visibly angry but smiles through.

TRENT CUMMINGS (CONT'D)
Wow. That's amazing Sultan. Your pet Apes can do tricks.

Their laughter slows to a stop.

TRENT CUMMINGS (CONT'D)
No really. It's impressive. Did you teach them that?

Sultan nods to one of the guards and he angrily moves toward Trent.

TRENT'S POV:

TRENT CUMMINGS (CONT'D)
(hands up)
It's a legit--

CLOSE ON: Bottom of guards shoe coming forward.

BLACK SCREEN

DISSOLVE TO:

INT. HIGH RISE CONDO - ROOFTOP POOL - DAY - (PRESENT)

[Electronic party music is playing loudly]

Surrounding a large infinity pool are modern and lavish cabana set ups where people are hanging out with drinks and music.

Two couples are playing chicken in the pool when one falls off the other's shoulders, causing a huge splash outside the pool, bringing our attention to a roped off area in a corner to itself.

Trent and his close friend, KURT, sophisticated black man in his thirties, hang out in the roped off private cabana.

Trent takes a hit of a joint and passes it to Kurt.

TRENT CUMMINGS
So yea. That's the deal.

KURT
Okay. Okay. So to summarize... You just got back from Brunei. You beat the Sultan of Brunei out of a $5 million in a card game where you may or may not have cheated.

TRENT CUMMINGS
I didn't.

KURT
(holds up one finger)
He says you did. Anyway, you freed some enslaved prostitutes, from that same Sulton, causing him, in his eyes, more financial loss. He now wants to kill you and then enslave both your Ex and your 8 year old daughter. But... You made a deal that if you come back here, dig up MY family's Ferrari and give it to him in 7 days; the Sulton of Brunei... He'll not only let you live and leave your family alone, but he will also let you keep the $5 million you may or may not have cheated him out of in a card game.

There's a beat.

KURT (CONT'D)
Did I get everything?

TRENT CUMMINGS
Almost...
(short beat)
I also need your help... Digging up your family's Ferrari.

There's a beat.

Trent stands there nervously. Kurt shakes his head but then breaks into a smile.

KURT
Shit man, you know I'm in.

Trent hugs him aggressively with excitement.

TRENT CUMMINGS
Thank you man. I need you on this.

KURT
You know I'd never let anything happen to your babies. Of course I'm in. Besides, I can't stand my family and my trust fund is basically gone.

TRENT CUMMINGS
(smiling)
I knew I could count on you.

Trent starts coughing.

KURT
What? That wasn't the sarcastic cough through BS thing was it?

Smiling, Trent continues coughing.

TRENT CUMMINGS
(coughing)
No, of course not. I appre--
(coughing)
I appreciate you. Really.

Trent takes a rag out of his pocket and coughs into it.

KURT
You good man?

TRENT CUMMINGS
Yea.
(coughs)
I'm fine, probably just allergies.

ZOOM IN to Trent's balled up rag in his hand with BLOOD on it. Trent discreetly puts the rag back in his pocket before Kurt notices.

DISSOLVE TO:

INT. TRENT'S TOWN HOME - LIVING ROOM/KITCHEN - NIGHT

With a plain but open floor plan, modern accents give the place personality and charm. There's framed photos on a shelf of Trent mountain climbing, white water rafting and dressed in a martial arts gei standing next to large trophies.

The stainless steel refrigerator door opens showing near barren, with a 6 pack of Texas brewed beers sitting in the center of the shelf. Trent grabs it and heads for the living room.

From his sectional sofa, Trent sits back, kicks his feet up on a stool in front and begins drinking his beer.

For a beat it’s peaceful and quiet.

[Coughing]

ZOOM IN to blood on his hands again.

[Loud knocking]

Startled, Trent nearly drops his beer.

TRENT CUMMINGS
What the...

He quickly looks through the peep hole.

TRENT CUMMINGS (CONT’D)
Fuck.

He backs up for a moment then looks again.

Through the peep hole we see the Sultan and 3 of his guards.

TRENT CUMMINGS (CONT’D)
This can’t be--

[Loud knocking continues]

Trent jumps back slightly, shakes his arms out taking a deep breathe and opens the door.

TRENT CUMMINGS (CONT’D)
(smiling big)
SULTAN. A house call for little ole me? You shouldn’t have.
(beat)
Don’t I have until--

SULTAN AZIS
Now, Mr. Trent. You have until now.

TRENT CUMMINGS
That’s funny because I could’ve sworn you said--

SULTAN AZIS
I said NOW!

Trent looks confused and surprised.

TRENT CUMMINGS
I don’t understand. We had a deal.

SULTAN AZIS
The deal’s changed. I want the car or the money, right now.

TRENT CUMMINGS
You know that’s impossible.

SULTAN AZIS
I thought you’d say that.

Sultan Azis looks toward the street at a black stretch limousine and nods. Two armed men get out of the car, then pull Kelsey and Delilah out as well.

Trent’s eyes grow large at the sight of Kelsey crying and Delilah looking terrified. He looks at the Sultan.

TRENT CUMMINGS
What the hell are you doing!?

KELSEY
Trent, what’s going on? Who are these men?

TRENT CUMMINGS
It’s gonna be okay Kelsey. Don’t worry. I’m gonna fix this.

DELILAH
Daddy I’m scared.

TRENT CUMMINGS
Don’t be, beautiful.

Sultan holds his hand up to his two guards escorting Kelsey and Delilah.

SULTAN AZIS
That’s far enough.

They stop about 15 feet away from Trent.

SULTAN AZIS (CONT’D)
Apparently you need some extra motivation.

Sultan motions to the guard holding Kelsey and he puts his gun to her head.

Trent’s eyes grow wide.

TRENT CUMMINGS
Sultan NO!

SULTAN AZIS
(motions to guard)
Do it.

[Bang!]

[There's no sound] Kelsey falls to the ground in SLOW MOTION. Delilah follows her to the ground. CLOSE ON Trent's eyes wide open. He stands still for just a moment.

Snapping back to full speed, Trent looses it, violently attacking the closest guard, quickly killing him with his own gun, then quickly turns his gun to the remaining guards and Sultan Azis, killing them all.

Trent looks to Delilah sitting next to Kelsey's lifeless body, crying.

TRENT CUMMINGS
No...
(shakes head breathing heavy)
No...
(tears fall)
NO!

CUT TO:

INT. TRENT'S TOWN HOME - BEDROOM - MORNING

Trent sits up in bed quickly with tears in his eyes.

TRENT CUMMINGS
NO!

He's sweating, looking around erratically. He takes a few deep breathes and begins to calm down.

He rolls over on his stomach to reach over to the night stand and grabs his phone.

INSERT - TRENT'S PHONE with text: '**ME - Hey Kels, just making sure my phone is working. Text me back**'

Trent waits but doesn't take his eyes off the phone screen.

After a beat. His phone CHIMES.

INSERT - TRENT'S PHONE with text: '**KELS - Get a new phone Trent. Don't be cheap!**

Trent smiles.

TRENT CUMMINGS (CONT'D)
I gotta lay off the late night eating.

Looking at his phone screen he taps on alerts, then selects one of the pop ups titled: Trent's Classic Blogspot

ON PHONE SCREEN: A blog forum about classic cars with a long list of comments and questions submitted by various people.

He taps on messages and sees:

collector64: ***I SINCERELY DOUBT your dealing with a 64 330...***

Remington3532: ***shit, you wish***

1Yorker4real: ***I guess its possible the supposed burried 250 is actually the long lost 330 but there's no evidence to support... Unless you could dig it up.. Hahaha***

45classicTammy: ***What the hell does it matter which car is burried??? It's BURRIED either way... Useless! SMH***

TRENT CUMMINGS (CONT'D)
Oh it matters.

He lays his head down on the bed for just a moment and his phone CHIMES again. He looks at it.

INSERT - TRENT'S PHONE with text: '**KELS - Don't forget about Delilah. 3pm.**

Trent shakes his head and tosses the phone to the side.

CUT TO:

INT. JIMMY'S BODY SHOP - REPAIR GARAGE - EARLY MORNING

[SOUNDS OF MACHINES]

CLOSE ON: Pipes, hosing, wires and metal.

From further out we see a classic model car on a lift. Underneath the car, Trent lies on his back, looking up at the pipes, hosing, wires and metal.

[BUZZING] Startles Trent, causing him to fumble his wrench, nearly hitting him in the face. He reaches to his pocket, pulling out his cell phone.

INSERT - TRENT'S PHONE with text: '**KURT - Yo man, that was some crazy shit you were talkin yesterday.. But like I said, if you really need me, I got you.**

Looking at his phone in hand, Trent relaxes his arms to his side and takes a deep breathe, lingering in the moment for a beat.

[BUZZING] Again startles Trent. He brings the phone back up to his face.

INSERT - TRENT'S PHONE with text: '**KURT - Link up at the gym?**

CUT TO:

INT. JEFFERSON ELEMENTARY - DROP OFF LINE - CAR

Kelsey fidgets tensely in the driver's seat trying to look ahead the long line of bumper to bumper traffic while Delilah sings along to the radio in the background.

KELSEY
(frustrated)
DIOS!

From the backseat, Delilah puts her hand on Kelsey's shoulder.

DELILAH
It's okay mommy. You're just gonna have to be patient.

Kelsey takes a deep breathe and smiles, putting her hand on top of Delilah's.

KELSEY
You're right baby. You're wise beyond your years.

DELILAH
I know.
(giggles)
Do you think I get it from you? Or from daddy?

KELSEY
Definitely me.

DELILAH
Daddy has his moments.

KELSEY
Listen to you... Team daddy huh?

DELILAH
Team family, mommy.

Kelsey pauses in silence for a beat.

KELSEY
I like that. Team family.

There's a beat.

DELILAH
I hope daddy doesn't forget me today.

KELSEY
Daddy could never forget you Delilah. Sometimes he's just a little absent minded.

DELILAH
Why is daddy's mind sometimes absent?

KELSEY
(laughs)
You'll probably have to ask him that.

DELILAH
You know what mommy?

KELSEY
Yeah baby?

DELILAH
I think I did get my wiseness from you.

Kelsey laughs.

KELSEY
Lets not focus on who you got it from. I'm just thankful.

DELILAH
Me too.

Looking through the passenger side window we see teachers greeting students as they're dropped off.

KELSEY
Well little one, looks like we're here.

A teacher approaches Delilah's door and opens it.

DELILAH
Have a great day mommy. Don't work too hard.

Kelsey laughs as Delilah exits the car.

KELSEY
You too baby. Love you.

The door shuts but Delilah turns briefly, looking through the window.

DELILAH
Love you too, mommy.

CUT TO:

INT. FIGHT TIME MMA - TRAINING OCTAGON - NOON

There's exposed air ducts, brick and concrete walls with professional MMA promo posters hung showing the gym to be a competitive facility.

It's somewhat crowded and there's different training sections with groups, singles and pairs sparing. Off to the side there's a full sized training octagon. This is where Trent and Kurt are, sparing in full gear.

They exchange nicely and their skills are impressive. They're going pretty hard on each other but also discussing plans at the same time.

KURT
Ok, so dad basically started his fortune with the money Julie West left him for burrying her in her 250 GTO. That's the story everyone knows. But when I was a kid I remember this one night some guy I'd never seen before came to the house. He was pissed. Saying Julie was buried in the wrong car and that my dad should've checked the engine.

TRENT CUMMINGS
The engine in the 330 is the only difference from the 250.

KURT
Crazy right?

TRENT CUMMINGS
Can’t believe this shit’s foreal.

KURT
Yea, imagine growing up around these people. From the shadows no less.
(short beat)
People speak pretty freely in front of the illegitimate son no one acknowledges.

Trent pokes his lip out as if pouting.

TRENT CUMMINGS
Awe, poor baby. Grew up rich but no one knew your name. Wa wa.

Kurt turns up the intensity in his attack as he laughs it off.

TRENT CUMMINGS (CONT’D)
So I guess we better get some shovels.

KURT
I’m way ahead of ya buddy. The box the car is in is reinforced with concrete. No worries... I YouTube’d that shit. Its called Expansive grouts. Basically a sophisticated method of breakin through concrete quietly. You sure you know how to operate a crane.

Trent stops with his hands on his hips for just a moment.

TRENT CUMMINGS
Come on.

Kurt nods and they get back into their spar.

KURT
So how’s little Delilah?

TRENT CUMMINGS
Shit!

KURT
What?

Trent begins to get the best of Kurt in a series of beautifully executed moves.

TRENT CUMMINGS
It’s my week to pick her up from school. I’m late!

Trent finishes a beautiful sequence with a jump spinning back kick to Kurt’s chest, sending him flying into the cage.

Kurt smiles at Trent from the ground.

KURT
Nice! I like that shit!

CUT TO:

I/E. JEFFERSON ELEMENTARY - PICK UP LINE - CAR

It’s the line Kelsey and Delilah were in earlier but the difference is there’s no other cars in line this time.

Trent’s car pulls up to the curb where a teacher stands next to a sad faced Delilah, holding her head down.

Through Trent’s open passenger side window he waves to the teacher and Delilah as the teacher approaches and reaches for the back door, opening it for Delilah.

TRENT CUMMINGS
I’m so sorry. I’m obviously really late. I lost track of time with work.

The teacher gives a forced partial smile and nods as she closes Delilah’s door and turns to walk away.

Trent turns more to face Delilah in the backseat.

CLOSE ON Delilah’s sad face looking toward the floor, avoiding eye contact with Trent.

TRENT CUMMINGS (CONT’D)
I’m sorry little one.

Without looking up Delilah responds softly.

DELILAH
Why were you late, daddy?

TRENT CUMMINGS
I told you, I lost track of time with--

DELILAH
Work. Right. So... You didn't forget about me?

TRENT CUMMINGS
Never little one. You're my heart.

DELILAH
But you were super late. And you "lost" track of time?

TRENT CUMMINGS
Yea, and what's with the
(air quotes)
Not sure you're using that right.

DELILAH
(looks up)
I am.

TRENT CUMMINGS
Well--

DELILAH
Mommy says I'm wise beyond my years. So, I'm probably right.

Trent looks away, taking a deep breathe with a smile.

DELILAH (CONT'D)
Just sayin.

TRENT CUMMINGS
You're right. I'm sorry Delilah.
(short beat)
Forgive me? You done kickin my ass?

DELILAH
I suppose.

TRENT CUMMINGS
Thank you.

Trent turns back around, puts the car in gear and drives off.

TRENT CUMMINGS (CONT'D)
You mind keeping this tiny infraction off the record?

DELILAH
You mean don't tell mommy?

TRENT CUMMINGS
Yea.

DELILAH
Yea no problem.

TRENT CUMMINGS
Thanks sweetie. I love your mother but you know how she can get.

DELILAH
Yea, I know.
(beat)
But you might wanna talk to Mrs. Harrington at school because I'm pretty sure she texted mommy already.

TRENT CUMMINGS
Aw shit.

CUT TO:

INT. BRUNEI - SULTAN'S PALACE - ROYAL QUARTERS

CLOSE ON one large ice cube being dropped into a small glass of brown liquor. Smoke floats into the frame as we follow it to its source, a freshly lit premium cigar.

Towering drapes at least 30 feet high are pushed to each side exposing a beautiful city view through the luxurious floor to ceiling windows.

Sultan Azis sits at his beautifully crafted desk sipping on his drink when we hear

[KNOCK KNOCK KNOCK]

SULTAN AZIS
Enter.

A tall muscular man in a black tailored suit walks in through double doors and approaches the Sultan's desk.

SULTAN AZIS (CONT'D)
(in native language)
What's the status of our American friend?

GUARD
(in native language)
No word as of an hour ago.

Sultan takes a big drag from his cigar, holds it then exhales a cloud of smoke.

GUARD (CONT'D)
(in native language)
Should I send some guys?

Sultan takes a drink, then stares out the window.

DISSOLVE TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - EVENING

Trent and Delilah sit together on the couch watching UFC together. They're both really into it. Delilah is punching the air and throwing up blocks as if visualizing herself in the octagon.

DELILAH
Go! Finish him. Get him!

TRENT CUMMINGS
Take him down.

Trent's attention redirects when his phone begins BUZZING. Looking at the screen the caller ID reads a long foreign number.

DELILAH
Who is it?

He silences the BUZZING.

TRENT CUMMINGS
Probably a wrong number.

Delilah shrugs her shoulders and continues watching TV. Shortly after, the phone screen goes black for a moment, then lights up with a voice mail alert.

DELILAH
Wrong numbers don't usually leave voice mails.

Trent looks at Delilah and smiles peculiarly.

TRENT CUMMINGS
And you know this how?

DELILAH
It's common sense.

Trent shakes his head and starts back watching the fight.

TRENT CUMMINGS
Watch the fight you little turkey.

They continue watching the fight.

DELILAH
I like Brazilian fighters. They're tough.

Trent just smiles as she continues to talk.

DELILAH (CONT'D)
I think overall they might be the strongest fighters.

CLOSE ON Trent's face as he begins to zone out and Delilah's voice begins to fade into the background, becoming inaudible.

DELILAH (CONT'D)
They're fast... They're powerful... They're...

Delilah continues to talk but Trent has mentally drifted to

FLASHBACK TO:

INT. BRUNEI - SULTAN'S PALACE - FOYER

On one knee Trent blows a snot rocket of blood from his nose onto the beautiful marble floors as Sultan azis and his 3 guards stand around.

SULTAN AZIS
You come in here with what you think to be balls and swagger but all I see is smoke and mirrors.

Trent looks up and smiles, exposing his bloody teeth.

SULTAN AZIS (CONT'D)
Even now, you smile but for what? Do you expect me to believe you don't care? Because I don't.
(short beat)
No, you care. You care so much it kills you. You see, you're not unique Mr. Trent. I've seen a dozen of you and it always ends the same. Do you know why?
(beat)
You're not invincible.

Trent looks off while continuing a half smile half smirk.

SULTAN AZIS (CONT'D)
Your pretty American girls will soon see this.

Trent immediately stops smiling.

SULTAN AZIS (CONT'D)
Oh, there he is. You've been hiding. Well, the real you's been hiding. But I see you Mr. Trent. And I know what makes you tick. It's your girls...

Trent holds eye contact intensely.

SULTAN AZIS (CONT'D)
Mark my words Mr. Trent. Before you leave God's green earth, you will pay this debt. Or your debt will be inherited by those pretty girls. I'm a man of my word. You will see this.

Sultan says something to his guards in his native language and begins walking away. Trent looses it.

TRENT CUMMINGS
Where the hell do you think you're going! Sultan! I'm talking to you!

The guards begin beating Trent violently.

CLOSE ON Trent's face as he stares at the Sultan's back walking away as he lies there taking a beating.

CUT TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - (PRESENT)

Delilah's waving her hand beside Trent's face but he's not paying attention.

DELILAH
Hello? Daddy?

Trent snaps out of it.

TRENT CUMMINGS
Yea, sorry little one.

DELILAH
What's wrong?

TRENT CUMMINGS
Nothing, I was just thinking about work stuff.

Delilah looks concerned for a beat. She grabs the TV remote and mutes it.

DELILAH
Daddy?

TRENT CUMMINGS
Yea pretty.

DELILAH
You know you can talk to me about anything, right?

Trent smiles.

TRENT CUMMINGS
I know little one.

DELILAH
I worry about you. I just...

Delilah pauses.

TRENT CUMMINGS
What is it?

DELILAH
I just don’t want anything to happen to you.

TRENT CUMMINGS
Why would you say that?

DELILAH
I don’t know. I just have a bad feeling.

Trent sits there silently for a moment as Delilah continues looking at him with concern in her eyes when

[KNOCK KNOCK KNOCK]

Startles them both as they look at one another. Trent gets up, heading toward the door while Delilah turns around with her knees in the couch. On the way to the door Trent looks back to Delilah

TRENT CUMMINGS
Probably just mommy.

He looks through the peep hole and exhales looking back at Delilah.

TRENT CUMMINGS (CONT'D)
It's mommy.

He opens the door to Kelsey standing there blankly.

TRENT CUMMINGS (CONT'D)
Hey Kels.

Kelsey begins pass Trent.

KELSEY
Hey Trent.

DELILAH
Hey mommy.

KELSEY
Hey baby.

Delilah runs up to her nearly tackles her with a hug.

KELSEY (CONT'D)
Oh I just love my Delilah hugs.

Trent smiles at them. Kelsey smiles back.

TRENT CUMMINGS
How was your day Kels?

KELSEY
It was a day. You know. Nothing special.

Trent nods.

KELSEY (CONT'D)
I did receive an interesting text today though. From Mrs. Harrington.

Delilah realizes daddy is about to get in trouble and decides to make her exit.

DELILAH
I'll just get my things together.

Delilah walks away leaving Trent and Kelsey.

KELSEY
So when you said things would be different... This is different?

TRENT CUMMINGS
I'm really sorry Kels. But I promise this time it was really important. I was in this poker game and won big. I mean, huge. But then all kinds of insanity followed so I'm now working on a big deal that will set all of--

KELSEY
(frustrated)
Trent, poker isn't the problem. But what if your next big deal is your last? Will it be worth it?
(beat)
I'm not saying money isn't important but at some point your next big deal has to be about more.

There's a short beat of silence. Trent looks Kelsey in the eyes.

TRENT CUMMINGS
This time, it is Kels.

He looks at Delilah getting her things together.

TRENT CUMMINGS (CONT'D)
I swear.

CLOSE ON Trent's face, then Kelsey's eyes growing wide.

Kelsey sees something that compels her to take him seriously. She's visibly afraid.

KELSEY
Okay.
(short beat)
I trust you.

Attempting to provide reassurance Trent smiles through his inner turmoil and fear. Kelsey half smiles back.

KELSEY (CONT'D)
(to Delilah)
You ready baby?

DELILAH
Yep.

Delilah comes walking up next to Kelsey with her back pack.

KELSEY
We'll see you tomorrow Trent.

Trent nods. Kelsey lingers a moment as Delilah gives Trent a big hug, then they both turn toward the door.

Trent walks ahead of them to open the door as they walk passed and down the porch steps.

They make their way through to their car and Delilah gets in. Looking over the top of the car, Kelsey looks at Trent.

KELSEY (CONT'D)
3pm Trent.

Kelsey smiles and winks.

TRENT CUMMINGS
3pm. Got it.

Trent winks back as Kelsey gets in the car and drives away.

DISSOLVE TO:

I/E. JEFFERSON ELEMENTARY - DROP OFF LINE

As usual, Delilah sits in the backseat singing along with the radio as Kelsey drives.

They're at the front of the line but just before Delilah gets out, Kelsey stops her.

KELSEY
Hold on a sec. Delilah can I ask you a question?

DELILAH
Sure mommy. What's up?

KELSEY
Trent. Daddy... Is he okay? I mean, is there anything going on that you know of.

DELILAH
He seems sad. And kinda worried.

KELSEY
You don't know why?

Delilah shrugs her shoulders. There's a beat.

KELSEY (CONT'D)
Okay baby, you can go ahead.

Delilah opens her door and proceeds to get out.

DELILAH
Love you mommy.

KELSEY
Love you too little one.

DISSOLVE TO:

EXT. JIMMY'S BODY SHOP - REPAIR GARAGE

Trent sits alone on a rolling mechanics dolly on the ground with his cell phone in hand. We see on his cell phone screen 1 unchecked voice mail from the day before.

As he sits there looking at the message, considering listening to it, a co-worker walks into the garage rolling a tire and heads for a tire compression machine.

CO-WORKER
Sup Trent.

TRENT CUMMINGS
(looks up)
What up man.

Co-worker continues pass to the tire compression machine.

Trent goes back to the voice mail. Looking pass Trent, out of focus we see his co-worker hooking up the tire. Trent taps on the voice mail and puts the phone to his ear.

VOICE MAIL MESSAGE
(strong accent)
Hello, this message is for Trent cummings from Brunei M--

[LOUD BUZZING FROM TIRE COMPRESSOR]

Trent continues listening to the voice mail although inaudible for the viewer. His facial expression reads as if receiving bad news.

He slowly lowers the phone from his ear as the loud tire compressor goes on and on. He's in shock. Then just moments after it stops, on the ground, Trent notices the shadows of 2 people approaching.

Trent looks up squinting with sun in his eyes to see 2 large foreign men dressed in black tailored suits.

GUARD
(strong accent)
Hello Mr. Cummings. The Sultan sends his warmest regards.

TRENT CUMMINGS
Zeeky? Is that you? I hardly recognized you looking, well, exactly how you looked in Brunei actually.

GUARD
I see you haven't lost that boyish charm we've grown to loath.

TRENT CUMMINGS
(smiles)
Thanks Zeeky, I appreciate that. So what brings you by?

GUARD
Your debt, Mr. Cummings.

TRENT CUMMINGS
I have until Saturday night. It's Tuesday. What's.. I don't--

GUARD
We just want to be sure you're taking this seriously. Sultan azis is a man of his word. On the generous side, as well as the painful side.

TRENT CUMMINGS
Oh I understand completely.

GUARD
Do you?

TRENT CUMMINGS
(bats eyes playfully)
I do.

There's a beat.

The guards begin talking among themselves in their native language while one shows the other something on his phone.

TRENT CUMMINGS (CONT'D)
And here comes the rudeness.

Trent gets to his feet.

TRENT CUMMINGS (CONT'D)
Guys, really. What's up?

The guards stop talking. One steps forward showing his phone screen to Trent. It's live video of Delilah at school.

Trent's eyes immediately grow large. It's like a switch was flipped inside him and now he only sees red.

TRENT CUMMINGS (CONT'D)
What the hell is this?!

GUARD
Collateral Mr. Cummings.

TRENT CUMMINGS
(nods angrily)
Oh yea? Collateral?!

Trent approaches quickly and aggressively. As they both go for their guns Trent kicks one into the other and proceeds to beat them ferociously like an unstoppable machine. There's blood on his fist and splatter on his shirt.

He stands there breathing heavy, looking around erratically like a recently un-caged wild animal.

TRENT CUMMINGS (CONT'D)
NO!

CUT TO:

I/E. JEFFERSON ELEMENTARY - JUST OUTSIDE CAMPUS - CAR

Trent slows to a stop in his car, watching a man near a classroom window holding his phone up suspiciously.

CUT TO:

MOMENTS LATER

Trent attacks the man from behind, putting him in a rear naked choke hold. He holds it until the man passes out.

CUT TO:

MOMENTS LATER

Without sound, we see Trent walk into Delilah's classroom, taking her out quickly without explanation, leaving the teacher confused.

CUT TO:

INT. SUBURBAN NEIGHBORHOOD STREET - CAR

Trent drives fast with Delilah in the backseat feeling both scared and confused.

DELILAH
Daddy, what's going on?

TRENT CUMMINGS
Bad men are after us little one.

DELILAH
But why?

TRENT CUMMINGS
It's complicated.

Tires screech as they hit a corner hard.

DELILAH
What are we gonna do?

TRENT CUMMINGS
I'm not sure. Gotta grab a couple things from home though.

CUT TO:

INT. TRENT'S TOWN HOME - LIVING ROOM

The front door opens and Delilah comes running in with Trent right behind her.

TRENT CUMMINGS
Just the necessities little one.

DELILAH
Okay daddy.

Delilah runs to the back while Trent grabs a bag out of a nearby closet and quickly begins throwing things in.

TRENT CUMMINGS
(calls out)
Okay, gotta roll out Delilah.

DELILAH (O.S.)
Coming daddy.

Delilah comes running out with a bag. Trent takes her hand as they rush to the front door but just before getting there, Trent grimaces, clutching his chest.

DELILAH (CONT'D)
Daddy?

The pain hits him again as he falls to the ground and delilah quickly follows.

DELILAH (CONT'D)
DADDY!

As he lays there with her by his side crying, all sound begins to fade out while we

FLASHBACK TO:

INT. BRUNEI - SULTAN'S PALACE - FOYER

Sultan Azis and his 3 guards are standing around a beaten Trent on one knee.

SULTAN AZIS
Eisenmenger Sydrome Mr. Trent.

TRENT CUMMINGS
What's that?

SULTAN AZIS
It's what you have. You're dying Mr. Trent.

IN SLOW MOTION we see fear and confirmation wash over Trent's face as we also hear the earlier voice mail message replaying aloud.

VOICE MAIL MESSAGE (V.O.)
(strong accent)
Hello, this message is for Trent cummings from Brunei Medical Clinic. We've confirmed Eisenmenger Syndrome and would like to discuss...

SULTAN AZIS (V.O.)
You already knew... your dying.

[YOU'RE DYING echoes loudly]

CUT TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - DAY

All of a sudden, Trent's heart stops and he's obviously not breathing. Delilah shakes him but he just lies there with his eyes open, lifeless.

CLOSE ON Trent's face, then Delilah's. She's mortified and heart broken. Her daddy is dead.

She freaks out and starts beating on his chest screaming at him.

DELILAH
(angry)
Come back daddy! Come back! You can't give up now. You never let me give up and I won't let you give up.

Continues punching his lifeless body.

DELILAH (CONT'D)
Now wake up! I know you're in there. You just have to dig deep daddy! Dig deep! Please... DIG DADDY! DADDY!

She hits him one more time in the chest and

[GASPS]

He awakes, gasping for air. Delilah lays her head on his chest crying. He puts his arms around her as Kurt comes bursting through the front door.

DISSOLVE TO:

MOMENTS LATER

Trent and Delilah sit on his couch while Kurt stands, pacing here and there.

KURT
(adrenaline high)
When I stopped by the shop and saw those 2 suited dudes knocked out... I freaked. Because I knew.

DELILAH
(to Trent)
Wait, so he knew this whole time?

KURT
Not the dying part.

Delilah looks at Trent.

TRENT CUMMINGS
Not the dying part.

KURT
The poker game, freed slaves, car heist part.

Trent nods.

KURT (CONT'D)
I knew that part the whole time.

Short beat.

DELILAH
So how are we gonna dig this baby up?

Trent and Kurt look at one another in awe of Delilah.

KURT
Working on that. But the better question is how long before the sultan sends goons here? Or sends goons to--

TRENT CUMMINGS
Kelsey.

Trent grabs his phone next to him and calls Kelsey. Three rings go by before she answers.

KELSEY (O.S.)
What's up Trent? I'm at work?

TRENT CUMMINGS
Hey Kels, strange question. But have you seen anyone hanging around that seems out of place?

KELSEY (O.S.)
What? No. What are you talking--
(Beeping)
About?

Trent looks at his phone screen to see a long foreign number coming in. He puts the phone back to his ear.

TRENT CUMMINGS
Hey Kels can you hold a quick sec?

KELSEY (O.S.)
What? Why do you--

Trent switches over to the other caller.

TRENT CUMMINGS
Hello.

SULTAN AZIS (O.S.)
Mr. Trent.

Trent signals to Kurt and Delilah and puts his hand over the phone.

TRENT CUMMINGS
(whispering)
It’s Sultan.

He uncovers the phone.

TRENT CUMMINGS (CONT’D)
Sultan, how are you?

CUT TO:

INT. BRUNEI - SULTAN’S PALACE - ROYAL QUARTERS

CLOSE ON

SULTAN AZIS
I’m well. Can’t say the same for the men you hospitalized.

TRENT CUMMINGS (O.S.)
You know, when you think about it, that was really just a big misunderstanding.

SULTAN AZIS
What I understand is you're becoming more trouble than your worth.

CUT TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - DAY

Trent paces on the phone while Delilah and Kurt wait on pins and needles.

SULTAN AZIS (O.S.)
Maybe this was a waste of time.

Trent stops pacing and speaks sincerely.

TRENT CUMMINGS
Come on Sultan... What would you have done?

There's a silent pause.

TRENT CUMMINGS (CONT'D)
I don't need extra motivation. I just need the time you promised. You said you're a man of your word.

SULTAN AZIS (O.S.)
That I am Mr. Trent.
(short beat)
You'll have your time. But come Saturday night your debt is due.

Call drops.

Trent looks at his phone, then to Delilah and Kurt.

TRENT CUMMINGS
He hung up.

DELILAH
What?

TRENT CUMMINGS
He said he'd give me the time he promised, then hung up.

KURT
(relieved)
Oh, okay. Good. At least we have time.

Trent's phone [CHIMES]

INSERT - TRENT'S PHONE with text: **'KELS - Thanks for leaving me on hold. (Angry face emoji)**

TRENT CUMMINGS
Shit.

DISSOLVE TO:

EXT. KELSEY'S HOUSE - FRONT YARD - PORCH - NIGHT

[KNOCK KNOCK KNOCK]

Trent and Delilah are standing on Kelsey's front porch waiting at the door.

After a moment the front door opens to Kelsey blank faced.

TRENT CUMMINGS
Hey Kels.

DELILAH
Hey mommy.

Delilah embraces her.

KELSEY
Hey beautiful.
(smiles)
Hey Trent.

Kelsey punches Trent when he tries to join the hug.

Delilah separates and goes inside. Trent head motions for Kelsey to come outside.

KELSEY (CONT'D)
(to Delilah)
I'll be in in a sec baby.

Kelsey pulls the door up some but its not closed all the way. She walks over to her patio love seat and takes a seat. Trent sits next to her.

KELSEY (CONT'D)
What's up?

TRENT CUMMINGS
(deep breathe)
Things have been crazy, right?

Kelsey nods.

TRENT CUMMINGS (CONT'D)
I'm really sorry Kels.

KELSEY
For what?

TRENT CUMMINGS
For everything.
(beat)
From the moment you touched my arm, it was you. We've had some great times, you and me. I'm grateful for that. Then Delilah. She came into our lives and wow...
(smiles)
Everything was magnified. Our connection was fortified. You and me Kels. It can't be broken.

Tears swell in Kelsey's eyes.

KELSEY
We were good together.

TRENT CUMMINGS
Yes we were.
(short beat)
I love you Kels.

Trent takes her hand and softly kisses it. He gets up and begins passed Kelsey when she grabs his hand

KELSEY
Trent

She stands up and embraces him closely, holding it for a beat. They separate slightly, looking into each other's eyes.

They begin to leave forward, when

[LOUD THUD]

Draws their attention to the partially cracked open door, where Delilah sneakily stands, grinning.

Trent and Kelsey separate.

TRENT CUMMINGS
I better get going.

KELSEY
Yea, sure. I.. I guess you should.

TRENT CUMMINGS
See ya Kels.

Trent walks down the porch steps. Kelsey looks as if she wishes he could stay

DISSOLVE TO:

I/E. JIMMY'S BODY SHOP - REPAIR GARAGE - MORNING

WEDNESDAY

With Trent rolled underneath a lifted vehicle, Kurt looks around.

KURT
We can actually use some of this equipment tomorrow.

TRENT CUMMINGS
Cool.

Kurt takes a few pictures of tools and equipment, then seems to be typing in his phone.

TRENT CUMMINGS (CONT'D)
How you feeling about this?

Kurt continues typing in his phone.

TRENT CUMMINGS (CONT'D)
That good huh?

KURT
(looks up)
My bad, I was making some notes. I feel good. As ridiculous as it sounds, I think we can pull this off. We're gonna dig this bitch up.

TRENT CUMMINGS
Wow, you're just gonna call your, aunt? A bitch...

KURT
She's not actually my aunt, but, I was referring to the car. Anyway, the plans solid.

Trent rolls from underneath the vehicle and sits up facing Kurt.

TRENT CUMMINGS
So first, we create a diversion sending all cemetary staff and security far away from the site.

KURT
(nods)
Then we bring the tools and equipment in through the North entrance, away from the main street.

TRENT CUMMINGS
Then... unfortunately its time to vandalize a shit load of nearby surrounding graves.

KURT
To throw off focus from Aunt Julie’s grave.

TRENT CUMMINGS
Thought she wasn’t your aunt?

KURT
Yea whatever.

TRENT CUMMINGS
Then we dig around the box holding the 330 and lift the entire box out of the grave with the crane.

KURT
Break through the concrete using the expansive grout technique.

TRENT CUMMINGS
Remove the 330.

KURT
Put the box back in the hole and re-cover it nicely.

TRENT CUMMINGS
You drive the equipment and tools out on the trailer.

KURT
And you drive the 330 back to the crib to reconvene in the AM with Sultan.

TRENT CUMMINGS
With 36 hours to spare.

KURT
Boom.

They both smile with confidence, holding it for a moment.

Then Kurt breaks.

KURT (CONT'D)
But it is a lot of shit to do if I'm being real.

Trent smirks.

KURT (CONT'D)
I'm just saying we could use a little help.

Trent shaking his head.

CUT TO:

INT. BRUNEI - SULTAN'S PALACE - ROYAL QUARTERS - DAY

Sultan Azis sits at his desk with 3 guards standing in front. Sultan is giving them instructions on what to do next.

SULTAN AZIS
(in native language)
I want to mobilize a bigger presence around Mr. Trent in the states.

GUARD
(in native language)
Should we deploy immediately?

SULTAN AZIS
No, lets wait. I want you to arrive there Friday morning.

The guard nods.

SULTAN AZIS (CONT'D)
(in native language)
Mr. Trent's a very smart man. He knows what's at stake. But just in case he needs reminding, we'll pay him a visit the day before his time is up.

GUARD
(in native language)
Do you think he'll try to run?

SULTAN AZIS
(in native language)
Oh, he's not a runner. Not this one. He'll face this, head on.

GUARD
(in native language)
If he fails, should we expect resistance?

There's a long beat where Sultan Azis looks out the window and sips on his glass of brown liquor in a small glass.

SULTAN AZIS
(in native language)
Yes. Expect resistance. A lot of resistance.

Sultan takes another sip from his glass.

DISSOLVE TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - DAY

Trent and Delilah sit on the couch eating pizza and talking with the TV off.

DELILAH
(mouth full)
I'm not saying you're not sick. I mean, I saw you die. So I know your sick.

TRENT CUMMINGS
Finish chewing.

Delilah holds a finger up and finishes chewing her food.

DELILAH
There.

She opens her mouth wide showing no food.

TRENT CUMMINGS
(sarcasm)
That's beautiful, thanks for that.

DELILAH
Anyway, I know you're sick, but you can't just believe everything you're told. You taught me that.
(points)
(MORE)

DELILAH (CONT'D)
Especially coming from an unreliable source.

TRENT CUMMINGS
What do you mean, unreliable?

DELILAH
Who knows if those are even real doctors in that little dirty clinic.

TRENT CUMMINGS
How do you know it’s dirty?

DELILAH
I googled it.

TRENT CUMMINGS
Wow.

DELILAH
I’m just saying go to a for sure real doctor at a for sure real hospital, here. What do you have to loose?

Trent pauses, seemingly searching for something to say but comes up empty.

TRENT CUMMINGS
You have a point little one.

DELILAH
(confidently)
A good point.

TRENT CUMMINGS
(smiles)
A good point. Yes. And I will. As soon as we dig up this car.

Delilah smiles.

Trent’s phone starts [BUZZING]

It’s Kurt. Trent answers.

TRENT CUMMINGS (CONT’D)
Yo.

He listens silently.

TRENT CUMMINGS (CONT’D)
Yea. Yea, that’s cool.

Listening.

TRENT CUMMINGS (CONT'D)
Ok cool. Meet you there.

Trent hangs up and looks at Delilah.

TRENT CUMMINGS (CONT'D)
Still hungry?

Delilah shrugs.

CUT TO:

INT. BATANGA CAFE - OUTDOOR PATIO - SUNSET

Trent, Delilah and Kurt sit at a table on the patio at a trendy and modern 1800's themed cafe.

KURT
We're all set.

DELILAH
So you figured out the diversion?

KURT
Yep. We'll be pressed for time, but...

TRENT CUMMINGS
But you can get it done?

KURT
Yea, of course.

TRENT CUMMINGS
Man, I don't know how to thank you for--

KURT
Cut that out. We're like brothers. I knocked out your last baby tooth.

TRENT CUMMINGS
And I knocked the wind out of you for the first time in life.

KURT
Yep. Thought I was dying.

DELILAH
What's "the wind" supposed to be anyway?
(MORE)

DELILAH (CONT'D)
I've heard of this, "wind" but its never been knocked out of me.

TRENT CUMMINGS
Here we go with the air quotes.

DELILAH
Tommy Daniels said he got it knocked out of him last year.

KURT
He said it was horrible didn't he?

DELILAH
Sure did. I told him next time try holding your breathe.

TRENT CUMMINGS
Hold... Why?

DELILAH
How's the wind gonna get knocked out of you when you're holding it?

Kurt and Trent look at one another considering this as a viable possibility.

DELILAH (CONT'D)
Just don't let it go. Simple logic.

TRENT CUMMINGS
Huh...

KURT
Wish I thought of that 25 years ago.

TRENT CUMMINGS
Me too.

Short beat.

DELILAH
You guys are old.

They both frown at her.

DELILAH (CONT'D)
But seriously. That's awesome that you've known each other a hundred years and you love each other and all, but are you ready for this tomorrow? This is big shit.

Trent and Kurt quickly hold up their fingers.

TRENT CUMMINGS
You watch your mouth.

DELILAH
Sorry, I got carried away. But are you ready? Like really ready?

There's a beat of silence.

TRENT CUMMINGS
Yea, I'm ready. I have to be.

KURT
Me too. It's do or die.
(shrugs)
It's not our time to die. So lets do this.

Delilah smiles.

DELILAH
(to Trent)
I believe in you.
(to Kurt)
Both of you.

Delilah extends a fist toward each of them. They all fist bump at the same time.

CUT TO:

INT. TRENT'S TOWN HOME - LIVINGROOM/FRONT DOOR - NIGHT

We see Trent standing in the front doorway facing out toward the street. He waves.

TRENT CUMMINGS
(calls out)
See y'all tomorrow.

CLOSE ON Trent's face, smiling for a beat.

IN SLOW MOTION: He turns with one hand on the door knob and immediately starts coughing violently into his other hand.

From TRENT'S POV: Vision blurs. His free hand is covered in blood mists.

He falls to the ground and passes out without even closing the front door.

While out we

FLASHBACK TO:

INT. BRUNEI - SULTAN'S PALACE - BALLROOM - NIGHT

The ballroom is beautiful with soaring ceilings and royal yet elegant touches throughout.

FROM AERIAL VIEW: There's dining tables, poker tables, a dance floor and bar setup. The room is huge, filled with a couple hundred guests and dozens of armed security in black tailored suits.

Trent sits at a large round table of maybe a dozen or so individuals playing Poker. On the table in front of Trent lie stacks of poker chips. More than nearly everyone at the table.

TRENT CUMMINGS
(smiles)
This is fun. Right?

He pans the table, looking mostly at blank expressions. The guy next to him sniffles and rubs his seemingly raw nose.

TRENT CUMMINGS (CONT'D)
(looking across table)
How you guys doin tonight?

One guy frowns angrily.

TRENT CUMMINGS (CONT'D)
It'll get better. Hang in there.

Cards are being dealt.

Trent glances at his cards.

TRENT CUMMINGS (CONT'D)
(to dealer)
I'll take 2. Thanks

Dealer complies.

Looking pass Trent we see guards looking at him, talking and signaling for others to move in closer.

Trent takes another peek at his cards, then looks up at the other players and smiles. He looks at his watch, then pushes all his chips forward.

TRENT CUMMINGS (CONT'D)
I'm all in fellas.

Most everyone folds, except 2 individuals. They both look determined and suspicious of Trent.

The raw nose guy next to him, who already folded then sneezes violently, knocking over his drink, causing Trent to jump back and drop an ACE OF SPADES CARD, to land face down on the floor.

RAW NOSE GUY
(strong accent)
So sorry.

Trent quickly picks up his phone so it doesn't get wet. Then he reaches toward the floor for his card.

One of the players who placed a bet looks overly suspicious at Trent as he reaches down and waves to the guards. The guards quickly move in.

Trent picks the card up and they stop. He doesn't even know there was a problem. The game continues while the angry faced player holds his stare. Trent continues smiling, unaware.

TRENT CUMMINGS
(to raw nose guy)
You need some mucinex.

We see the angry faced man show his hand. CLOSE ON 3 Kings.

DEALER
(to Trent)
Call.

Trent pauses as if dissappointed, then flips his cards over to

REVEAL: 3 Aces, one of which is the one that fell on the floor.

TRENT CUMMINGS
THANK YOU JESUS!

Angry man reacts with strong hostility, standing to his feet pointing at Trent

ANGRY PLAYER
Cheater! He switched the card when it fell!

Trent smirks through his celebration as he's grabbing his chips and dumping them into a bag. Guards are moving in again.

TRENT CUMMINGS
(aggravated)
No way. I'm no cheater, you sour puss. I'm out.

Trent starts off away from the table with his winnings.

ANGRY PLAYER
(to guards)
Stop him. He cheated!

A guard grabs Trent's arm as he tries to pass.

TRENT CUMMINGS
Hey hey, come on now.

Trent shrugs him off and tries to continue but is then grabbed aggressively by another guard, taking him into immediate defense mode as he breaks the guard's hold with a judo hip toss.

They all come at him now. Trent fights those he has to, defeating them quickly and running with his bag of chips in hand. They're after him in high pursuit as he ducks, dodges and leaps through dozens of guests and guards

CUT TO:

MOMENTS LATER - DARK HALLWAY

Trent hides behind a large statue as a couple guards walk pass. After they pass he moves out into the open slowly but sees the shadow of another coming and opens the nearest door, quickly going in and shutting it behind him. He turns around to

REVEAL: 3 young women chained to a large exposed pipe. 2 of them are foreign and one American.

TRENT CUMMINGS
What the... Fu--

AMERICAN GIRL
You're American. Help us. Please.

TRENT CUMMINGS
I... What...
(exhales)
Shit.

CUT TO:

MOMENTS LATER - DARK HALLWAY

Trent and the 3 girls all hide behind another large statue. They wait for a guard to walk by, then quickly move to another part of the dark hallway.

They wait for just a moment, then try to go further but as soon as they turn a corner Trent runs into a guard and begins scuffling with him.

He gets the best of the guard but not before the guard calls out for backup.

Trent and the 3 girls are running for their lives through multiple dark hallways, trying to evade dozens of guards when one of the foreign girls falls and no one notices for a few seconds.

When the American girl notices, she turns and goes back but as she's helping the girl up they both get grabbed by 2 guards.

Trent stops and looks at them getting grabbed, then looks the other direction seeing the other girl go for an unobstructed exit. He almost goes for the exit too but doesn't.

TRENT CUMMINGS
Shit.

He runs back to superman punch one guard off the American girl. The other guard immediately releases the foreign girl and tackles Trent. The 2 girls run toward the exit where the third girl waits with the door open.

The American girl pauses and looks back

CLOSE ON Trent's face as he fights off his back with the guard on top of him.

TRENT CUMMINGS (CONT'D)
Go!

The girls turn and continue for the door. We see them escape just before

TRENT'S POV: fist coming forward.

BLACK SCREEN

DISSOLVE TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - NIGHT (PRESENT)

Trent awakes to Kelsey shaking him on the floor in the living-room just inside the door while Delilah stands back with tears in her eyes.

Kelsey helps him sit up and hugs him tightly. Delilah quickly follows them to the ground and joins the hug.

DISSOLVE TO:

MOMENTS LATER

Kelsey and Delilah sit on one side of the couch holding hands while Trent stands leaned against a wall. Kelsey sniffles and wipes a tear from her eye.

KELSEY
(to Delilah)
You knew all this?

Delilah timidly nods yes.

TRENT CUMMINGS
Just since yesterday.

DELILAH
(to Kelsey)
He died.

KELSEY
What?!

TRENT CUMMINGS
I mean... But did I though, really?

DELILAH
Yea, your eyes were open like in the movies. It was like.

Delilah imitates Trent when he was dead.

KELSEY
(snappy)
Delilah stop it.

DELILAH
It was horrible mommy.

Kelsey wipes her face somewhat angrily.

KELSEY
(to Trent)
And why are you on your feet right now?

TRENT CUMMINGS
I'm okay Kels.

KELSEY
(sniffles)
No you're not. You're dying! You died... Apparently.

Delilah nods. Trent hands her a tissue.

KELSEY (CONT'D)
And you have to dig up this car to save us all from a evil Sultan?!
(blows nose hard)
What the hell!?

Kelsey continues blowing her nose.

CUT TO:

MOMENTS LATER

They're all sitting at the dining table eating chinese food. Kelsey's eyes are red and puffy from crying.

KELSEY
This sucks.

DELILAH
(mouth full)
It'll be okay mommy. The plan is solid.

Kelsey puts a spoon full of rice in her mouth.

KELSEY
And about that. To be clear, I'm not happy about any of this. But...
(swallows)
It's happening and it's my life too. It's Delilah's life. So... I'm in.

Both Delilah and Trent stop chewing their food.

TRENT CUMMINGS
What?

KELSEY
There's no way you're doing all this without me. I'm in.

Trent looks at Delilah. Delilah gives a thumb up.

KELSEY (CONT'D)
A family that digs together...

Kelsey smiles through this difficult moment.

CUT TO:

EXT. JIMMY'S BODY SHOP - PARKING LOT - SUNRISE

THURSDAY

It's foggy and quiet out.

Trent, Kurt and Kelsey stand next to a truck with a large flatbed trailer in the otherwise empty parking lot of the shop just as the sun is coming up.

KURT
So after I load up the equipment we need from here, we're pretty much all good.

TRENT CUMMINGS
Indeed. Are we all clear on our jobs?

Kurt and Kelsey nod with confidence.

KELSEY
Yep. From here I'll head to work like normal.

DISSOLVE TO:

INT. HOUSTON WATER & MUD CO - CLERICAL OFFICE

Kelsey walks through a large and busy clerical office with cubicles everywhere. On the wall there's a large sign to read: Houston Water & Mud Co. She finds her cubicle and takes a seat, turning on her computer.

KELSEY (V.O.)
When I get there I'll jump on my computer and do what I always do... Dispatch work orders for about 70% of the city. In so many words, I control most of the city's water flow.

Kelsey gets up and leaves her cubicle. She goes to a common area where items are printed or copied and sits down at the common computer in the area.

Looking at the computer screen we see the mouse select an icon. Once clicked a web page opens that looks like the company's back office.

We see Kelsey looking over her shoulder suspiciously.

KELSEY (V.O.)
Conveniently, the cemetary just happens to fall into that 70%.

On screen there's multiple tabs, sections and options to click but Kelsey selects SCHEDULES & WORK ORDERS

KELSEY (V.O.)
Most people don't know it, but we could flood entire areas by simply opening or closing a valve.

On screen we see a long list of work orders with dates and times to the left. Above the list there's an option to CREATE NEW WORK ORDER. Kelsey clicks it.

Once the new page loads on screen there's multiple blank fields to input data. Kelsey begins typing.

KELSEY (V.O.)
So I'll open one on the far south end of the cemetary while the dig is happening on the far north end.

Continues typing.

KELSEY (V.O.)
Well, I'll put the work order in... There's numerous reasons to open or close a valve temporarily so that won't be an issue.

On screen we see all fields filled in. Kelsey clicks SAVE & SEND and the work order has gone out.

KELSEY (V.O.)
The order will be set for 6PM. By 9PM cemetary personnel will be alerted.

Kelsey gets up and heads back through the busy clerical office, passing many cubicles on her way to her own.

KELSEY (V.O.)
Protocol will be to send all cemetary personnel to secure the flooded area; security included.

Kelsey sits back down at her desk.

KELSEY (V.O.)
And we’re set.

KURT (V.O.)
Excellent.

CUT TO:

JIMMY’S BODY SHOP - PARKING LOT - SUNRISE

Trent, Kurt and Kelsey stand next to a truck with a large flatbed trailer in the otherwise empty parking lot of the shop just as the sun is coming up.

KURT
Trent...

TRENT CUMMINGS
Of course I’ll be in place at the cemetary before ya’ll get there. But for now I’ll actually be running down a new lead.

KURT
(confused)
New lead?

TRENT CUMMINGS
Lets just call it insurance.

Kelsey nods to Trent.

DISSOLVE TO:

INT. FISERV INVESTMENTS - BUSTLING LOBBY - DAY

The lobby is large and busy with suited professionals. It's obviously lunch hour because we see people eating in some of the sitting areas.

TRENT CUMMINGS (V.O.)
What I've learned from the good game of poker is always expect the unexpected.

With sunglasses on Trent stands off to himself near one of the many glass exit doors. He's facing the elevators.

TRENT CUMMINGS (V.O.)
A solid plan is where we start.

He takes his sunglasses off, then looks at a big clock on the wall. He then pulls his cell phone from his pocket and swipes to open Facebook.

TRENT CUMMINGS (V.O.)
But where we end could be somewhere completely different.

On phone screen we see the Facebook profile of a mid sixties man, John Mcquarter.

Trent clicks on the man's photo and keeps it on his screen as he watches people getting off the elevators. It's busy so he has to pay close attention.

TRENT CUMMINGS (V.O.)
Navigating the unknowns. A poker buddy of mine used to say it all the time.

He spots someone who seems to be the man from the photo.

TRENT CUMMINGS (V.O.)
He also said if you stay ready you never have to get ready.

The man walks toward the glass doors not far from Trent's nearest exit. Trent watches, then follows through the exit at a safe distance.

The man heads for the parking garage while Trent heads the other direction to

CUT TO:

INT. FISERV INVESTMENTS - STREET PARKING - CAR - DAY

Trent waits in his car, watching the parking garage to see every car that comes down.

TRENT CUMMINGS (V.O.)
I guess what I'm trying to say is we need a back up plan.

Several cars come down when finally the man comes driving down. Trent takes notice and follows the man in his car at a safe distance.

DISSOLVE TO:

EXT. JIMMY'S BODY SHOP - PARKING LOT - SUNRISE

Trent, Kurt and Kelsey stand next to a truck with a large flatbed trailer in the otherwise empty parking lot of the shop just as the sun is coming up.

KURT
I agree. There wasn't much time to come up with one but I like where your heads at.

They all crack partial smiles with confidence.

KURT (CONT'D)
Then there's my part...

EXT. RUSSEL'S JUNK YARD & FILL - DAY

The junk yard is gigantic. There's piles of junk 2 stories high everywhere.

We see bull dozers and cranes of different sizes moving things and digging as trucks drive through. There's a lot going on.

KURT (V.O.)
From here I'll go pick up the rest of the equipment needed.

We see Kurt drive up in a diesel pickup truck with a large flatbed trailer. He parks and hops out to go shake a man's hand.

KURT (V.O.)
Sometimes it pays to be a trust fund kid. Well...
(MORE)

KURT (V.O.) (CONT'D)
If you’re generous with those hard earned funds that is.

Kurt and the man are talking and laughing together for a moment.

KURT (V.O.)
You’d be surprised at how quickly a 10k fee can disappear with the right leverage.

The man’s smile fades to serious as he listens to Kurt and nods in agreement.

CUT TO:

MOMENTS LATER

Kurt hops into his truck with the flatbed trailer loaded with a small bull dozer, crane and other smaller items.

He waves and smiles to the man he was talking to.

KURT (V.O.)
So I load up and from there, we’re off to the races.

DISSOLVE TO:

EXT. JIMMY’S BODY SHOP - PARKING LOT - SUNRISE

Trent, Kurt and Kelsey stand next to a truck with a large flatbed trailer in the otherwise empty parking lot of the shop just as the sun is coming up.

TRENT CUMMINGS
Well alright.

CUT TO:

I/E. JEFFERSON ELEMENTARY - PICK UP LINE

Kelsey picks up Delilah from school as usual. They talk about the future and Trent. Delilah says even though things are crazy right now she still feels in her heart that everything will be okay. Hearing this makes Kelsey feel more hopeful.

CUT TO:

EXT. SPRING WOODS CEMETARY - NIGHT

[BUSTLING WORKERS] Can be heard in the distance.

FROM AERIAL VIEW: The grounds are vast. There must be hundreds of burial plots and several large well landscaped sections. Two small buildings can be seen in opposite corners. Near one building we see over a dozen people bustling about with individual flash lights. Not far from the other building we see just a few people along with a bull dozer and crane. This area is heavily lit up.

Zooming in closer we see Trent operating the bulldozer, carefully digging up Julie West's grave. Kurt stands close, directing and watching closely.

Looking pass Trent and Kurt we see Kelsey and Delilah sitting in the crane. Moving in closer we see them listening to a hand radio transmission.

HAND RADIO (UNKNOWN VOICE #1)
Contained to South end. Over

HAND RADIO (UNKNOWN VOICE #2) (CONT'D)
Yea, it's contained to one side but it'll take hours to get it fully under control. Over.

Kelsey turns it down to where they can barely hear it.

KELSEY
How you doing baby?

DELILAH
I'm okay mommy. How are you?

KELSEY
I'm... I'm okay.

DELILAH
I know everything's pretty crazy right now and there's a lot on the line... But, I have a good feeling.

KELSEY
Yea baby?

DELILAH
(nods)
It's all gonna work out mommy.

Kelsey smiles. Then in the distance we hear

TRENT CUMMINGS (O.S.)
(calls out)
I think I'm ready for the crane Kels.

KELSEY
(to Delilah)
Come on baby.

They quickly get out of the crane and jog up to Trent and Kurt at the grave.

Once they get there they look in the hole to see they've hit concrete. There's chains coming from around each side.

KURT
Time to hook her up.

CUT TO:

MOMENTS LATER

The chains are already hooked to the crane and Trent's inside operating while Kelsey, Delilah and Kurt stand back watching.

CLOSE ON Trent operating the crane with gear shifts and levers.

The huge box begins to slowly lift out of the hole.

CLOSE ON each of their faces one by one. All on edge hoping this works.

Before long the entire box is lifted out of the hole and in tact. He slowly swings the box over to the side of the hole and carefully sets in down.

KELSEY
(quietly)
Yes!

Kurt shadow boxes in victory. Trent puts a strong fist in the air while Delilah jumps up and down with excitement.

TRENT CUMMINGS
(to Kurt)
You're up Kurt.

KURT
YouTube video don't fail me now.

CUT TO:

MOMENTS LATER

Kurt stands on top of the huge concrete inforced wooden box with a large drill.

KURT
(looking down)
This is the only part of the plan that will cause some real noise. But with everything happening on the south side we'll be good.

TRENT CUMMINGS
(to Kelsey)
Just keep listening to the hand radio. If they hear us we'll know it.

KURT
Here we go.

Kurt starts drilling. It doesn't take long. He drills a line of holes creating an X on the top of the box then pours grout in each hole.

He looks over the edge.

KURT (CONT'D)
(looking down)
Done. Now we wait.

CUT TO:

MOMENTS LATER

Trent, Kelsey, Delilah and Kurt stand around the box.

TRENT CUMMINGS
Unfortunately it's about that time for one of the less fulfilling parts while we wait on the concrete to break.

KELSEY
We gotta vandalize graves.

TRENT CUMMINGS
It's the only way we can cover our tracks.

KURT
A necessary evil.

DELILAH
I've never liked that phrase.

KURT
I'm sorry little one, I just mean--

DELILAH
I know what you mean. I just...

TRENT CUMMINGS
What's up pretty?

Short beat of silence.

DELILAH
This stuff we're doing, is wrong... Right? But... What could be more right than fighting for your family?
(short beat)
So I don't like that phrase because we're acting out of love... Not hate.

Each of their hearts are warmed by this.

KELSEY
That's beautiful baby. And you're right. I'm not proud of all this but I'm proud of all of us. Family is everything.

KURT
(big smile)
I love you guys.

They all come in for a group hug. They hold it for a moment, then separate.

TRENT CUMMINGS
Okay, lets finish strong. We're almost there. I'll use the dozer to partially dig up several surrounding graves. Ya'll take care of the rest.

CUT TO:

MOMENTS LATER

Kurt and Trent stand on top of the huge concrete covered box looking at huge cracks and breaks following the holes that were drilled. Delilah and Kelsey are on the ground.

TRENT CUMMINGS
(looking down)
Boom. Looks like it worked.

KURT
YouTube does it again.

TRENT CUMMINGS
(to the girls)
Stand back.

The girls stand back out of harms way.

Trent and Kurt pick up pick axes and start moving big pieces of concrete right off the top onto the ground to see wood underneath. They continue moving the broken concrete pieces when big sheets fall off the walls, exposing more wood.

Flashing forward

The wooden box sits on top of a block of concrete with other piles of broken concrete all around it. Trent stands on one side and Kurt on the other, both with crowbars in hand. They look at Kelsey and Delilah, then each other.

KURT
(to Trent)
Hope it’s in okay condition.

They shove their crowbars in each side, prying away aggressively until they’re able to remove the entire wall in one wooden sheet. Everyone moves in closer.

Looking inside its dark so Delilah picks up a flashlight and points it inside the box. It appears the car is covered with a tarp. Trent steps up to the car grabbing the tarp.

TRENT CUMMINGS
The moment of truth.

He pulls away the tarp to

REVEAL: Powder Blue 1964 Ferrari GTO in mint condition with a rotted corpse sitting inside.

KURT
Bitchin.

DELILAH
Gross!

Kelsey grabs the flashlight from Delilah and covers her eyes.

KELSEY
Don’t look baby.

KURT
(to Trent)
Check the engine.

Trent pops the hood and looks closely. Kelsey steps forward with the flashlight. He looks closer.

KELSEY
What’s the verdict?

Trent continues staring at it, then we move

CLOSE ON Trent’s face as he closes his eyes and takes a deep breathe. Kelsey takes notice.

KELSEY (CONT’D)
It’s a 250.

Trent slowly nods.

TRENT CUMMINGS
(disappointment)
It’s a 250.

DELILAH
Maybe the Sultan won’t know the difference.

KURT
Oh he’ll know. Shit. What are we gonna do now?

Everyone is silent for a beat.

Trent starts moving without saying anything. He opens the car door and starts moving the corpse.

TRENT CUMMINGS
(to Kurt)
Give me a hand.

Kurt comes to his aid.

KURT
What are we doing?

TRENT CUMMINGS
We’re getting this car out of here, putting the box back and everything else, as planned.

KURT
But if it doesn't have a 330 engine it won't work.

TRENT CUMMINGS
Which is why we're gonna get a 330 engine. I think I know a guy who has one of the two that's left.

KURT
(shocked)
And you think he'll just give it to you?

Trent stops what he's doing.

TRENT CUMMINGS
No...

FLASH BACK TO:

INT. FISERV INVESTMENTS - BUSTLING LOBBY - DAY

The lobby is large and busy with suited professionals. Trent watches a man, John Mcquarter, from a picture on his phone.

TRENT CUMMINGS
We're gonna have to steal it from him, within the next 36 hours.

CUT BACK TO:

EXT. SPRING WOODS CEMETARY - NIGHT

Everyone's eyes grow large.

DELILAH
Shit.

CUT TO:

INT. TRENT'S TOWN HOME - LIVING ROOM - MORNING

FRIDAY

Kurt is sleeping on the long end of the sectional while Delilah sleeps on the short end.

CLOSE ON a bottle of BAILEY'S IRISH CREME on the kitchen counter.

As we zoom out the bottle blurs as a tired looking Kelsey sitting at the dining room table with 2 steamy cups of coffee comes into focus.

Coming from the kitchen Trent grabs the bottle off the counter and joins Kelsey.

He sits, pours some Bailey's into his cup and raises the bottle to Kelsey.

She waves him off.

KELSEY
It's like 7am.

A tired Trent shrugs, puts the bottle down, stirs his coffee a little and takes a cautious sip.

TRENT CUMMINGS
Just right.

Trent continues drinking with his eyes closed, really enjoying it.

KELSEY
Wow... So, you're sure this is the guy?

TRENT CUMMINGS
Yep, he's the one. Crazy that he's right here in the city.

KELSEY
No kidding. What are the odds... The 330 was right here the whole time.

Trent takes another sip of his spiked coffee.

TRENT CUMMINGS
Almost like its meant to be... or something.

KELSEY
I'll go with or something. But I won't say I'm not thankful.

TRENT CUMMINGS
(jokes)
Praise the Lord, won't he do it.

Kelsey looks around.

TRENT CUMMINGS (CONT'D)
What?

KELSEY
Oh, I was just waiting for the lightning rod to strike you down.

TRENT CUMMINGS
Ha ha Kels. So funny.

Trent starts clapping when Kelsey holds her hand up quickly for him to stop.

KELSEY
You're gonna wake Delilah and Kurt.

They look at Delilah and Kurt still sleeping. Kurt tosses slightly.

TRENT CUMMINGS
(quietly to Kelsey)
Sorry. You're just so funny.

KELSEY
(smirks)
Whatever smart ass. Why don't you use those smarts to get us out of this.

TRENT CUMMINGS
(offended)
I am, what have I been doing other than that? I mean I'm putting out fires everywhere Kels.

Escalating.

KELSEY
Fires you set, Trent. You set the fires--

TRENT CUMMINGS
That's not fair. They accused me of cheating. You know I--

KELSEY
Doesn't matter Trent. You just have to fix this.

TRENT CUMMINGS
I am.

KELSEY
Are you?

TRENT CUMMINGS
(raises voice)
I AM.

KURT
HEY... That's enough.

Trent and Kelsey stop, looking over at the couch to see Delilah and Kurt sitting up facing them.

DISSOLVE TO:

EXT. HOUSTON TX - PRIVATE AIRFIELD - MORNING

It's a big open space with large paved lanes. Sultan Azis along with a couple dozen men in tailored suits are walking away from a large private jet.

Sultan and one of his guards speak back and forth as they walk.

SULTAN AZIS
(in native language)
Do we have an update?

GUARD
(in native language)
There's something going on at the cemetary where the car is buried but the specifics haven't been confirmed yet.

SULTAN AZIS
(in native language)
And Mr. Cummings?

GUARD
(in native language)
We've had eyes on his home since about 6am. He's been there the whole time.

SULTAN AZIS
(in native language)
His family?

GUARD
(in native language)
It appears they are with him. We checked the woman's home. No one is there.

Sultan stops and everyone else immediately follows his lead.

SULTAN AZIS
(in native language)
They better be with him. I want confirmation asap.

GUARD
(in native language)
Yes Sultan. Right away. Would you like us to take you to Mr. Cumming's home?

Sultan begins walking again and the guards follow.

SULTAN AZIS
(in native language)
No, lets go to the cemetary. I want to see for myself what's what..

CUT TO:

INT. HOUSE OF PIES - RESTAURANT DINING - MORNING

The diner is full of people as if they're giving food away for free. There's dozens of old photos on the walls and an understated southern charm that can't be replaced by your local IHOP.

CLOSE ON a delicious showcase of various pies inside glass shelving.

Kurt, Trent and Delilah sit at a table next to the window, eating and going over the next moves to steal the 330 engine.

DELILAH
Off subject, but, where's Belgian?

Delilah looking at a waffle piece on the end of her fork.

TRENT CUMMINGS
Europe little one.

Delilah continues looking at her waffle peculiarly.

KELSEY
(to Trent)
So how's this guy's security?

TRENT CUMMINGS
Pretty solid but through an electronic order we can shut off his electricity for about 2 minutes, which will also disable his alarm temporarily.

Trent looks at Kurt.

KURT
I know a hacker. He owed me a favor.

KELSEY
Convenient.

Kurt shrugs through bites of his food.

KURT
Got the blueprints to his entire property too.

KELSEY
Nice... And the car?

TRENT CUMMINGS
The extended garage is located on the west end of the property so I gotta assume that’s where the 330 is.

DELILAH
(examines waffle)
I wonder what an American Waffle would taste like.

Everyone pauses without responding.

TRENT CUMMINGS
(to Kelsey)
I’ll need you to open the gate for us manually when the power’s shut off.

KELSEY
No problem.

KURT
(to Trent)
What do you wanna do about the dogs?

TRENT CUMMINGS
Doggy treats with a hint of all natural tranquilizer.

DELILAH
Don’t get me wrong, I love the waffles from Belgian. It just seems like a lot of trouble to get them all the way out here.

Everyone looks at Delilah.

DELILAH (CONT'D)
What?

DISSOLVE TO:

I/E. SPRING WOODS CEMETARY - OUTSKIRTS - CAR - MORNING

There's 4 black SUV's lined up on the street outside the cemetary. One rear window rolls down on one of the SUV's to show Sultan Azis looking out.

INSIDE CAR:

Sultan Azis sits in the very last row with 2 of his men sitting in the row in front of him. They are all watching the cemetary.

There's police and cemetary personnel talking.

SULTAN AZIS
(in native language)
I need ears over there. Send a man.

One of the guards takes out his phone and makes a call. He's speaking in his native language.

SULTAN AZIS (CONT'D)
(to himself)
What have you been up to Mr. Trent.

We watch as one of the Sultan's men gets close to the police and cemetary personnel without making contact. After lingering for a moment he walks directly to the Sultan's window.

GUARD
(in native language)
I have an update Sultan.

Sultan nods.

GUARD (CONT'D)
(in native language)
It appears several graves were partially dug up and vandalized but nothing stolen.

SULTAN AZIS
(in native language)
Nothing stolen?

GUARD
(in native language)
Yes Sultan.

SULTAN AZIS
(in native language)
Are you sure?

GUARD
Yes Sultan. This is what police and cemetary personnel are saying.

CLOSE ON Sultan Azis' angry face

DISSOLVE TO:

I/E. HOUSE OF PIES - CHECKOUT/PARKING LOT - DAY

With Kelsey and Delilah standing near the door, Trent and Kurt are at the checkout counter. Trent hands the cashier money.

TRENT CUMMINGS
(to cashier)
Thanks.

CASHIER
Y'all have a good one.

They all head outside to the parking lot together, talking on the go.

KURT
(to Trent)
I think you missed your calling.

TRENT CUMMINGS
Oh yea?

KURT
Yea, you should've been some heist mastermind.

They laugh.

KURT (CONT'D)
You're way too good at this shit. Stuff.
(to Delilah)
Sorry little one.

KELSEY
(to Trent)
It’s actually kinda scary.

TRENT CUMMINGS
What?

KELSEY
This little knack you seem to have.

DELILAH
Maybe it’s beginners luck.

KELSEY
(giggles)
Again, you’re probably right beautiful.

TRENT CUMMINGS
(concerned)
Looks like my lucks running out.

Trent head motions toward 4 black SUV’s coming into the parking lot. Everyone looks worried.

KURT
Sultan.

The 4 SUV’s pull in and line up next to them, parking. Nearly at the same time, all the doors open on 3 of the SUV’s as men pour out and nearly surround Trent and everyone.

The back window rolls down in the fourth SUV, revealing Sultan Azis.

TRENT CUMMINGS
(excitement)
Sultan azis! How’s it goin man? You just in the neighborhood or--

SULTAN AZIS
(angry)
Enough jokes and games Mr. Cummings! I’ve been to the cemetary and the report is nothing was stolen.

TRENT CUMMINGS
I can explain that Sul--

SULTAN AZIS
You failed. You tried to dig up the car and you failed. Admit defeat Mr. Cummings.

Kurt, Kelsey and Delilah stand there timidly awaiting the outcome

TRENT CUMMINGS
No... I didn't fail. But I have until tomorrow night.

SULTAN AZIS
Tomorrow night? It's over Mr. Cummings. Why wait until tomorrow when you don't have the car and can't get the car?

Trent is silent for a beat.

SULTAN AZIS (CONT'D)
(to guards)
Grab the girls.

The Guards move toward them.

TRENT CUMMINGS
Sultan no!

Kurt immediately goes into defense mode when Delilah's arm is grabbed. He Punches the guard, then kicks another. Kelsey elbows a guard and just as Trent is about to attack several guards show their guns under their jackets.

Everyone freezes, then slowly put their hands up.

TRENT CUMMINGS (CONT'D)
Okay. Okay. I have the car.

SULTAN AZIS
We've been to the cemetary Mr.--

TRENT CUMMINGS
We dug it up, refilled the hole and partially dug up other graves to steer attention away from the fact we stole the car right out of the ground.

Sultan pauses silently.

SULTAN AZIS
If this is true, where is it?

TRENT CUMMINGS
I... I had to stash it until tomorrow to be safe. Can't be sure the cops don't already know its gone.

The Sultan smiles and shakes his head.

SULTAN AZIS
How about this... Since you supposedly have the car. You have until midnight tonight to deliver it to me. I'll take my chances with police.

TRENT CUMMINGS
But Sultan, I--

SULTAN AZIS
(stern)
MIDNIGHT MR. TRENT.
(short beat)
You see, it's like I said before, I know you. And I know you're still playing games. Trying to win. But I'll play along.
(short beat)
Until midnight tonight.

Sultan motions for his guards to get back in their SUV's. After they get in the Sultan's window begins to raise but stops half way up.

SULTAN AZIS (CONT'D)
And Mr. Cummings... From this point forward know we are watching you.

His window continues rasing.

DISSOLVE TO:

INT. TRENT'S TOWN HOME - LIVING ROOM

Trent looks out the window at 2 guards outside his home.

Kurt and Kelsey pace the room while Delilah draws in her sketch pad as if a normal day.

Kelsey and Kurt brainstorm to themselves aloud while Trent continues starring out the window.

KELSEY
What are we gonna do now? We can't steal the engine with them watching our every move.

KURT
We gotta come up with a way to shake them.

KELSEY
We’re so close.

KURT
Gotta find a way. I know we can find a way.

KELSEY
And now our time line’s been cut in half.

KURT
Whatever we’re gonna do we gotta do it fast.

DELILAH
(drawing)
Just use the rooftop deck.

Both Kelsey and Kurt stop pacing and Trent turns around.

DELILAH (CONT’D)
(drawing)
You can jump from our rooftop to Mr. Murphy’s next door.

KURT
But how would we get down?

DELILAH
(drawing)
Mr. Murphy’s drain post of course.

Surprise washes everyone’s faces.

DELILAH (CONT’D)
(looks up)
Just climb down silly...

Everyone smiles at one another.

TRENT CUMMINGS
Genius.

Delilah shrugs and continues drawing.

KURT
Well look at that.

CUT TO:

MOMENTS LATER - ROOFTOP TERRACE

There's modern outdoor patio furniture tastefully set up and a beautiful skyline view of the city.

Terrace door opens to Trent stepping out and Kurt to follow.

KURT
I still don't get why you don't use this more.

TRENT CUMMINGS
You get it.

Trent looking across to his neighbor's terrace.

KURT
You and Kelsey got engaged up here and also broke up here. Yea, I get that, but this is dope.

Trent looks over the terrace rails to see the back of one of the guards.

KURT (CONT'D)
What I don't understand is why y'all aren't together.

Trent continues watching the guard.

TRENT CUMMINGS
It's complicated.

KURT
What's not complicated is y'all love each other and have a daughter together.

Trent tries not to pay Kurt attention.

KURT (CONT'D)
If something happens, or God forbid this shit doesn't work out... How would you feel about where things are?

Trent stops what he's doing and turns to Kurt with a serious expression.

TRENT CUMMINGS
I'd feel shitty of course. But, I'd feel shitty regardless.

KURT
All I’m saying is, WHEN we get through this. Use your time wisely. It’s the only commodity we can’t get back in this world.

Beat.

TRENT CUMMINGS
I hear you. And you’re right... Now can we get back to escaping, Doctor Phil?

Kurt squares up playing like he’s going to attack Trent. Trent reacts defensively.

TRENT CUMMINGS (CONT’D)
(laughs)
Stop playin you idiot.

Kurt laughs lightly and stands at ease.

KURT
Come on. Lets jump this bitch.

TRENT CUMMINGS
Shit’s gonna be fun huh?

KURT
(shakes head)
Hell yea.

CUT TO:

MOMENTS LATER

Trent leans over the side looking at one guards back. The guard keeps looking side to side but doesn’t turn around.

Trent turns looking over his shoulder to the other side of the terrace at Kurt.

TRENT CUMMINGS
Okay go.

Kurt takes off running to the edge of the terrace, stepping off the railing as he leaps over to the neighbor’s terrace. He lands knocking over a pot.

Trent sees the guard react to the noise Kurt made. The guard turns looking back and Trent just barely moves in time.

Trent and Kurt look at one another, then Trent quickly gets to the other end of the terrace

And

IN SLOW MOTION:

He runs for Kurt, steps off the railing and leaps to the other side as we see the guard in the distance just barely missing him as he turns away just for a split second, only to look back and see nothing.

Kurt helps Trent to his feet.

KURT
(smiles)
Dope.

CUT TO:

INT. TRENT'S TOWN HOME - LIVING/DINING ROOM - DAY

Kelsey and Delilah sit in silence for a moment at the dining room table with nothing on the table in front of them.

DELILAH
I'm sorry mommy.

KELSEY
For what baby?

DELILAH
It's my fault we couldn't leave with daddy because I can't make the terrace jump.

KELSEY
Oh no sweetie. It was your great idea that got daddy and Kurt out. We'll figure out how to get out of here. Don't worry.

There's a short beat.

DELILAH
I guess your right.

KELSEY
Of course I am. Big ideas are just as important as big people.

Delilah smiles.

DELILAH
Too bad we can't give the guards some of daddy's sleeping pills.

Kelsey's face perks up.

KELSEY
Sleeping pills?

DELILAH
Yea. He can't sleep so he got some pills from the doctor.

KELSEY
Are you sure they're from the doctor? Not the store?

DELILAH
Yea, they're definitely from the doctor. They're super strong too. One time he knocked out so fast and hard I thought he was dead. Well, not like the time he was actually dead. But you get it.

KELSEY
He was knocked out. I get it. Do you know if he has anymore, or where he keeps them?

DELILAH
Yea they're in his medicine cabinet.

KELSEY
You're a genius baby.

Kelsey stands up and kisses Delilah's forehead then heads toward the kitchen.

KELSEY (CONT'D)
Grab those pills for me sweetie.

DELILAH
Okay mommy.

KELSEY
Time to do some baking.

CUT TO:

EXT. NEIGHBORHOOD STREETS - DAY

Trent and Kurt jog through the modernly updated neighborhood. After getting far enough away they begin walking.

KURT
Good thing we stashed the car off the grid.

TRENT CUMMINGS
Yea, we need to head there now. The John McQuarter estate won't be easy...

DISSOLVE TO:

I/E. JOHN MCQUARTER ESTATE - OFFICE/OUTDOOR PATIO - DAY

John sits alone on his beautiful outdoor patio looking out at his lavishly landscaped grounds.

TRENT CUMMINGS (V.O.)
His property is huge. And we don't have a lot of time to get familiar with the blue print.

[RINGING]

John turns, looking inside as we focus on the phone on his desk. He steps inside to answer it.

TRENT CUMMINGS (V.O.)
Based on my research he seems like a workaholic, which means work doesn't stop when he leaves the office.

We see John on the phone sitting at his desk with the patio doors wide open.

TRENT CUMMINGS (V.O.)
We gotta assume he'll be awake when we get there. But we'll use that to our advantage.

While on the phone John moves his computer mouse taking his computer screen out of hibernation.

ON COMPUTER SCREEN:

Web page displaying Fiserv Investments home page with several tabs to other web pages.

CLOSE ON a tab to read: Trent's Classic Blog.

TRENT CUMMINGS (V.O.)
This guy is about 3 things. Family, he has a wife and daughter. Business, day or night. And classic cars.

John hangs up the phone and clicks on the tab taking him to Trent's blog. He's browsing postings.

TRENT CUMMINGS (V.O.)
John McQuater is our only shot.

John takes his hand off the mouse and stands. He walks to the patio doorway and stands still, looking out.

TRENT CUMMINGS (V.O.)
So lets go get the car, and make it count.

JOHN'S DAUGHTER (O.S.)
(calls out)
Dad I'm heating up some food. Do you want any?

JOHN MCQUARTER
Yea, thanks hunny.

John takes one last look out at his beautiful grounds, then closes the doors.

DISSOLVE TO:

INT. WAREHOUSE - EVENING

Trent and Kurt are in a large empty warehouse looking at the GTO.

KURT
It's beautiful, right?

TRENT CUMMINGS
Yea, hate to let it go. But then I also like breathing and standing upright.

KURT
There's that.

TRENT CUMMINGS
Gotta love good ole fashion motivation.

KURT
So midnight huh...

Kurt looks at his watch.

KURT (CONT'D)
Got a little more than 6 hours. You heard from--

[BUZZING]

Trent looks at his phone.

TRENT CUMMINGS
It's Kels.
(answers phone)
Hey Kels.

CUT TO:

INT. TRENT'S HOUSE - LIVING ROOM - EVENING

Kelsey has the phone to her ear while Delilah stands in front of the oven looking at cookies baking through the glass oven door.

KELSEY
Hey, how's things going?

TRENT CUMMINGS (V.O.)
Good. We're at the warehouse now. Y'all still at home?

KELSEY
Yea, but I think we came up with a way out. It'll take a little Delilah charm but we're good.

CUT TO:

INT. WAREHOUSE - EVENING

Trent gives the thumbs up to Kurt.

TRENT CUMMINGS
(to Kurt)
They found a way out.
(to Kelsey)
(MORE)

TRENT CUMMINGS (CONT'D)
Great. We need to meet at the estate by 8pm. That'll give us enough time to get in, switch the engine, get out and meet up with Sultan.

KELSEY (V.O.)
Ok cool. We'll be there.

TRENT CUMMINGS
Call me if you have any trouble.

KELSEY (V.O.)
Will do. Love y--

Kelsey stops, realizing what she was about to say.

KELSEY (V.O.)
See you soon Trent.

TRENT CUMMINGS
Love you too Kels.

CUT TO:

INT. TRENT'S HOUSE - LIVING ROOM - EVENING

CLOSE ON Kelsey's face, trying not to smile.

KELSEY
Bye Trent.

CUT TO:

INT. WAREHOUSE - EVENING

Trent smiles and disconnects.

TRENT CUMMINGS
(to Kurt)
We're all set.

Kurt nods.

DISSOLVE TO:

EXT. JOHN MCQUARTER ESTATE - STREET - NIGHT

It's clearly a multi-million dollar home type of neighborhood. Each home sits on at least a couple acres and boast of 20 foot tall iron fences.

Kelsey and Delilah are standing next to their car parked just down the street from John’s property when the powder blue GTO comes driving up with Trent and Kurt inside. Trent and Kurt get out of the car. Delilah runs up to Trent and hugs him tightly.

TRENT CUMMINGS
Hey pretty.
(to Kelsey)
Everything go well?

KELSEY
Yep.

DELILAH
I tricked the guards into eating our special cookies.

She separates from Trent, smiling.

KURT
Special? What, weed cookies?

KELSEY
No you career stoner. Trent’s sleeping meds.

Trent smiles with approval as he nods and claps quietly.

TRENT CUMMINGS
Kudos.

KURT
(nods)
A strong indica weed could’ve got it done too though.

TRENT CUMMINGS
(laughs)
Anyway, lets get serious.
(short beat)
This won’t be easy. But neither was everything we had to do to make the dig happen. We’ve already done the unthinkable. So why not do it again. We know what we’re doing, we know what’s at stake.

KURT
Lets get it done.

Everyone stands there silently in a moment of reflection.

DISSOLVE TO:

MOMENTS LATER

Trent and Kurt stand alone near John's gate. Kurt pulls a silver whistle out of his pocket and blows it but all we hear is blowing, no whistle.

Then 3 dogs come running from John's house.

Trent takes a baggy out of his pocket filled with doggie treats. He tosses a bunch of them through the gate and the dogs immediately start eating them.

KURT
This was my first time actually using a dog whistle.

TRENT CUMMINGS
It works. Now lets hope these tranquilizers work.

CUT TO:

MOMENTS LATER

The dogs are all laying down peacefully. Trent looks at Kurt.

KURT
(shrugs)
Coo.

Kurt takes out his phone and makes a call.

KURT (CONT'D)
(on phone)
Yea, shut it all off in exactly 5 minutes.

Kurt disconnects.

KURT (CONT'D)
It's time.

TRENT CUMMINGS
Okay. Lets get into place.

DISSOLVE TO:

MOMENTS LATER - JOHN MCQUARTER ESTATE - FRONT GATE - NIGHT

Kelsey and Delilah are walking the sidewalk trying to look natural while Trent and Kurt sit in the GTO 2 houses away with the lights off.

INSIDE CAR: Kurt looks at his watch

THEN, all lights on the estate shut off and the GTO lights come on.

Kelsey and Delilah run up to the gate and Kelsey reaches inside to pull a latch. She then gets to the side of the gate and begins pushing hard, leaning all her weight.

The gate begins sliding to the side as the GTO drives up and through as their only source of light. Once they're inside, Kelsey pulls it closed with her and Delilah on the outside.

Trent and Kurt drive toward a large detached garage while Delilah and Kelsey run down the sidewalk out of sight.

Once the GTO pulls up the dark driveway to the garage, they park and Kurt quickly jumps out. He runs up to the garage and lifts it open manually and Trent drives in. Kurt closes it to

BLACK SCREEN

TRENT CUMMINGS
With time to spare.

CONTINUED TO:

INT. JOHN MCQUARTER ESTATE - GARAGE - NIGHT

The lights and electricity come back on showcasing about 2 dozen extremely rare classic cars set up like a professional showroom.

KURT
Barely.

Trent hops out of the GTO, looking around in awe of all the beautiful cars.

KURT (CONT'D)
Bro... You're drooling.

Trent shakes it off.

TRENT CUMMINGS
Okay, I'm good. Lets find this car.

They fan out walking down aisles of cars. It doesn't take long before

TRENT CUMMINGS (CONT'D)
Think I found it.

Kurt quickly heads in Trent's direction.

Trent is already opening the hood and looking at the engine.

KURT
Not to be repetitive but, what's the verdict?

Trent looks up bright eyed and smiling.

TRENT CUMMINGS
We got it.

KURT
We got it?

TRENT CUMMINGS
We freakin got it.

KURT
Hell yea, now lets get it.

Trent runs to the other GTO and gets tools out. He runs back up to the 330 and gets to work immediately.

KURT (CONT'D)
Gotta hurry.

Trent continues working.

TRENT CUMMINGS
Is you're guy ready to shut down the electricity again for another 30 seconds?

KURT
Yep. He's on standby.

TRENT CUMMINGS
Good. Almost there.

Kurt stares past the 330.

KURT
Uh, Trent. I think you should stop.

TRENT CUMMINGS
(continues)
What, I'm almost there.

KURT
Yea, but you should probably stop.

We hear [TRIGGER CLICKING] and Trent stops immediately.

He looks up to see the barrel of a shotgun pointed at him and at the other end of the gun is John McQuarter.

TRENT CUMMINGS
Shit.

John shakes his head with gun pointed.

JOHN MCQUARTER
Yea... Shit.

CUT TO:

MOMENTS LATER

TRENT CUMMINGS
(hands out)
I know how this must look but I'm telling you it's not what it seems.

JOHN MCQUARTER
So you're not trying to steal from me?

TRENT CUMMINGS
Well... Yea, I'm trying to steal from you. But... But, my reason is solid.

KURT
(to John)
His reason IS pretty solid.

TRENT CUMMINGS
It's for my daughter and her mother.

JOHN MCQUARTER
You're daughter has a fascination for classic cars?

TRENT CUMMINGS
No. Well yea, actually, but its not like that. Her life is in danger if I don't get that 330 engine into that 250 over there.

John stares silently with his gun still pointed.

TRENT CUMMINGS (CONT'D)
I got into it deep with a really bad dude and the only way to get him to stand down is this 1964 Ferrari GTO 330 by midnight tonight.

For a beat John seems to be thinking.

JOHN MCQUARTER
You don't actually expect me to believe that do you? And even if I did believe you... Am I supposed to ignore the fact you're trying to steal from me? Then what, let you go on your merry way with my property...
(short beat)
Is that what you're expecting with that speech?

TRENT CUMMINGS
(sincere)
I know it's crazy. But it's all true. I'm asking you, from one father to another... Please. Help me save my family.

There's a beat of silence.

John slowly lowers his gun, then

JOHN MCQUARTER
No.

He pulls out his phone.

JOHN MCQUARTER (CONT'D)
I'm calling the cops.

TRENT CUMMINGS
Wait. Please don't--

KURT
Sir, please, it's life and death.

JOHN MCQUARTER
Tell it to the judge.

He starts dialing, THEN

JOHN'S DAUGHTER (O.S.)
Trent?

John, Trent and Kurt all stop and look toward the door to

REVEAL: John's daughter, the same American girl Trent rescued in Brunei.

JOHN'S DAUGHTER (CONT'D)
Trent, is that you?

TRENT CUMMINGS
Cecelia?

JOHN MCQUARTER
(to daughter)
You know this man CeCe?

JOHN'S DAUGHTER
This is the guy I told you about in Brunei. The one who rescued me and the other girls. What's going on?

John lowers his phone and looks at Trent with a look of sincere remorse.

JOHN MCQUARTER
My daughter told me what happened. What you did, sacrificing yourself for her.

TRENT CUMMINGS
I just did what anyone would've done in that situation.

JOHN MCQUARTER
No. I could never even begin to thank you... But a man that does what you did, for my daughter... That's a man who deserves my help.
(short beat)
Take the engine.

Trent and Kurt's faces light up.

TRENT CUMMINGS
Really?

JOHN MCQUARTER
Sure. 330, 250, whatever... I have my daughter. That's thanks to you.

We pan around the room seeing each person smiling.

CUT TO:

MOMENTS LATER - DRIVE WAY

The powder blue 1964 Ferari GTO sits beautifully on the driveway with Kurt standing next to the passenger side door and Trent on the drivers side with CeCe, John's daughter.

CECE
I still don't know how to thank you.

TRENT CUMMINGS
(looking at the GTO)
I think we're square.

CeCe hugs him tightly and holds it a beat, then separates.

CECE
Take care Trent.

TRENT CUMMINGS
You too.

She smiles, waves to Kurt and walks back toward the house.

Trent and Kurt are looking at one other from opposite sides of the car. Trent exhales with his eyes closed.

KURT
Almost there.

TRENT CUMMINGS
(nods head)
I still need to adjust the engine placement to make sure it doesn't look tapered with. I'll do it outside the gate.

They both open their doors but before getting in they look toward the open gate noticing 4 black SUV's coming in.

Their facial expressions immediately change from happy relief to nervous worry as the SUVs quickly approach and park next to them.

Nearly all SUV doors open quickly as armed guards in suits flood out and surround them. After the guards stop exiting the SUVs, Kelsey and Delilah come out looking terrified.

Trent looks scared as well but doesn't say anything.

Sultan Azis then exits his SUV and approaches Trent on foot. He stops right in front of him.

SULTAN AZIS
Hello Mr. Cummings.

Trent just stands there, exuding nervous defensiveness.

SULTAN AZIS (CONT'D)
It appears you do have the GTO.

TRENT CUMMINGS
It appears you have my family.

SULTAN AZIS
(smiles and shrugs)
So lets make the exchange. Unless, the GTO isn't the 330 you promised?

Trent turns on his poker face and tries to show confidence.

TRENT CUMMINGS
Of course.

Sultan motions for his guards and one immediately opens the hood of the GTO and starts checking it out.

Knowing Trent wasn't finished adjusting the engine, Kurt gives a look like he wants to go into attack mode. Trent discreetly discourages Kurt.

SULTAN AZIS
Hope you're not trying any funny business Mr. Cummings. This won't end well if you are.

Kelsey and Delilah look worried. The guard continues looking closely under the hood until he looks up at Sultan with wide eyes and pauses.

SULTAN AZIS (CONT'D)
(to guard)
So?

The guard looks one more time and pauses again before saying

GUARD
It's a 330.

Kelsey, Kurt and Delilah all exhale as if a weights been lifted. Trent continues holding his poker face as he nods.

SULTAN AZIS
Looks like we are good Mr. Cummings. Your debt is paid.

Sultan motions to the guards holding Kelsey and Delilah.

SULTAN AZIS (CONT'D)
Release them.

The guards let them go and Delilah runs up to Trent giving him and big hug. Kelsey soon joins the hug while Kurt stands on the other side of the car smiling at them.

The guards begin getting back into the SUVs. One guard walks up to Trent and puts his hand out. Trent hands him the GTO keys and he gets in.

As the Sultan gets into his SUV he looks back at Trent.

SULTAN AZIS (CONT'D)
I've been called many things Mr. Cummings...

A guard closes his door with the window down and walks off.

SULTAN AZIS (CONT'D)
Tyrant. Monster. Murderer... Am I those things?
(shrugs)
I guess you'll never know for sure. But I told you when this started, I'm a man of my word... I meant that.

Trent seems confused.

Sultan reaches toward the floor and Trent jumps back defensively. Sultan notices and smiles as he

REVEALS: Trent's big duffle bag full of poker chips and tosses it through the window to him.

Looking into the open bag of chips, Trent, Kurt, Kelsey and Delilah are floored.

SULTAN AZIS (CONT'D)
(smiling)
Don't spend it all in one place.

Sultan rolls up his window as he and the other SUVs drive away through the gate.

They all stand around silently in shock, until

KURT
Bro you're fuckin rich.

Kurt quickly covers his mouth, looking at Delilah.

DISSOLVE TO:

MOMENTS LATER

IN SLOW MOTION: They're jumping up and down celebrating. They look happier than they've been in a long time.

KELSEY (V.O.)
Who would've guessed it would all end like this? Not me, I'll admit.

In the middle of their joyous moment Trent grabs his chest and goes to the ground in agony.

KELSEY (V.O.)
A roller coaster. That's what Trent called us.

Kelsey and Delilah are at Trent's side crying while Kurt paces behind them with his phone to his ear keeping his eyes on Trent.

Its dramatic and emotional.

IN FULL SPEED: the chaos is even more overwhelming as we hear Delilah crying and Kurt on the phone with 911.

From his back holding Kelsey and Delilah's hands he speaks.

TRENT CUMMINGS
We had a good run.

Trent closes his eyes.

BLACK SCREEN

DELILAH (V.O.)
(crying)
NO! Daddy!

[CRYING]

KURT
Trent... No.

CUT TO:

INT. BLACK SCREEN

There's a long beat of silence before

KELSEY (V.O.)
I hate to sound like a cynic but I can't count how many times I've asked myself, do happy endings even exist? When we were together Trent couldn't be convinced of anything short of a happy ending. Even when we broke up, he never stopped believing. Never. For now I can believe for the both of us, he said.
(beat)
But now... I'd be a fool to say happy endings don't exist.

BLACK SCREEN then

DISSOLVE TO:

INT. HOSPITAL - PRIVATE ROOM

Kelsey's sitting with Delilah while Kurt stands with a doctor next to Trent's hospital bed.

KELSEY
(to Delilah)
You see baby, life can be crazy. It can be filled with ups, downs and everything in the middle. We don't always know what will happen. But if we keep believing, pushing and digging deep for when we think we have nothing left... Happy endings DO exist.

Delilah smiles and looks over at Trent as he awakes. They get up, stepping forward to his bedside.

DOCTOR
How are you feeling Mr. Cummings?

Trent's still waking all the way up.

TRENT CUMMINGS
Okay, I guess. Why am I not dead?

DOCTOR
The condition you were originally diagnosed with, Eisenmenger syndrome, was wrong. This isn't a birth defect.
(MORE)

DOCTOR (CONT'D)
It seems after more tests what you have is called Ventricular Fibrillation, which mirrors most of the same symptoms but its treatable. You're a very lucky man. Rest up. I'll be back later to go over the next steps.

Trent is wide awake from the news, looking at Kurt, then Delilah, then Kelsey.

TRENT CUMMINGS
(wide eyed)
I'm gonna live.

DELILAH
Told you daddy.

Gives a thumb up.

KURT
And you're rich.
(whispers)
Bitch.

KELSEY
You did it Trent.

TRENT CUMMINGS
WE did it, Kels.

They all look at one another with smiles.

THE END
